

in the neighborhood of the alleged injury

In 1821 (Evan Ev 299) another ordinance is said to have been passed also in the same neighborhood

found in the records under the ordinance of 1821, no execution of the work until after the institution of the suit - yet it was so intended and tender to explain the Damages.

A government referred to

[Mr. J. G. then read from Page 15 of the printed record]

For the principles of construction which relate to the Mayor & City Council of Baltimore

of Harris, John 381.385

and to public Corporations in general

Dartmouth College, Worcester 4 Wheat 658

St. 661

These Defendants are mere Trustees for the benefit of the public, like a trustee bound to execute the authority conferred to them, and irresponsible when he discharges his duty in good faith.

The common Law of England upon the question is the Law of this State, and the evidence of that Law will be found in the case of The

Glaz Plate Company, Worcester 4 J Rep 794
