Contour Your Soybeans Says County Agent

Cooperative studies conducted by the Soil Conservation Service and the State Experiment Station in 4 counties in Illinois, in 1941 showed that contoured soybeans on 28 farm yielded 3.8 bu. per acre more grain (or 19.5 per cent) than non-contoured soybeans. A study of farmer's opinions showed that the majority felt contour cultivation increased their yeild of soybeans and allowed less erosion.

Any Queen Anne's county farmer desiring to have contour lines established for his soy bean or corn planting may receive such aid by calling or phoning the County Agent, Mark Miller, at the county building in Centreville, or the Soil Conservation Service.

DRIVE SLOW AND SAVE GASOLINE

Rationing of Gasoline in the Eastern States will begin May 15, and registration by car owners is scheduled for May 12, 13 and 14, it was announced yesterday afternoon by Leon Henderson, Price Administrator.

Mr. Henderson did not disclose, however, the amount of gasoline that the average motorist will be allowed to obtain. This will be announced sometime before May 15, he said.

It was indicated unofficially that a weekly allotment of not more than five gallons is under consideration, and that the amount might be as low as two and a half gallons

Special provisions will be made for persons who demonstrate a need for using their automobiles in essential activities.

Thus, each car owner, upon registration, will receive an "A" card, which will resemble a meal or commutation ticket. It will contain seven squares, each representing a unit of gasoline which the holder will be entitled to buy any time between May 15 and July 1.

The number of gallons in each unit will be announced before rationing begins, it was noted, but may be varied later in accordance with supplies.

ORDER OF PUBLICATION

SARAH BUCHANAN, Plaintiff,
versus
M. JUNIOUS BUCHANAN,Defendant
IN THE CIRCUIT COURT FOR QUEEN ANNE'S COUNTY, IN EQUITY.

CHANCERY No. 3313

The object of this suit is to procure a Decree of Divorce A Vinculo Matrimonii by the Plaintiff, Sarah Buchanan, from the Defendant, M. Junious Buchanan .

The Bill of Complaint recites that the parties were married on or about October 3rd, 1921, in Philadelphia, Pa., that they lived together at Philadelphia, Pa., until on or about the first day of May, 1927; that though the conduct of the Plaintiff towards her husband, M. Junious Buchanan ,has always been kind, affectionate and above reproach, M. Junious Buchanan, on or about the first day of May, 1927, without just cause or reason, abandoned and deserted the Plaintiff at Philadelphia, Pa., and that such abandonment has continued uninterruptedly for at least eighteen months, to wit, from about the first day of May, 1927, to the present time, and is deliberate and final and the separation beyond any unreasonabble expectation of reconciliation; that no children were born as a result of this marriage; that the Plaintiff is a resident of Queen Anne's County, Maryland, where she has resided since November 3rd, 1939; that the Defendant is a non-resident of the State of Maryland, and upon dilligent inquiry the Plaintiff has been informed that the Defendant's last known address is 1312 Master street, Philadelphia, Pa.; and that the Plaintiff prays the Court that she be divorced A Vinculo Matrimonii from the Defendant, and that she have such other and further relief as her case may require.

It is thereupon Ordered by the Circuit Court for Queen Anne's County, in Equity, on this 11th day of April, 1942, that the Plaintiff, Sarah Buchanan, by causing a copy of this Order to be inserted in some newspaper printed and published in said Queen Anne's County, Maryland, once in each of four successive weeks before the 16th day of May, 1942, next, give notice to the said absent Defendant, M. Junious Buchanan, of the object and substance of this Bill of Complaint, warning him to be and appear in this Court, in person or by Solicitor, on or before the last day of June, 1942, next, to show cause, if any he has, why a Decree should not be passed as prayed.

SPRING

You can always tell when Spring is here
It brings new gladness, hope and cheer.
The robin sings his song so gay
And people linger on their way.
The flowers burst forth in radiant bloom
Driving away all sorrow and gloom.
Spring is the best season of all the year
With winter gone and summer so near.
