ORDER OF PUBLICATION

IN THE CIRCUIT COURT FOR QUEEN ANNE'S COUNTY, IN EQUITY.
ALBERT H. JONES, Plaintiff,
versus
PEARL E. JONES, Defendant.
CAUSE NO. 3331

The object of this suit is to procure a decree a vinculo matrimonii by the plaintiff, Albert H. Jones from the defendant, Pearl E. Jones.

The Bill states as follows: That the parties were married on the 6th day of December, 1920 and lived together as husband and wife until sometime in the year 1924; that the defendant without just cause or provocation on some date prior to the first day of January, 1925, did abandon and desert him, the plaintiff; has declared her intention to live with him no longer; that said abandonment has continued uninterruptedly for at least eighteen months prior to the date of the filing of this Bill; that said abandonment is deliberate and final; that the separation of the parties is beyond any reasonable hope of reconciliation; that the plaintiff is a resident of Queen Anne's County, Maryland, and has resided in said county for more than one year next preceding the date of the filing of this Bill; that the defendant is a non-resident of the State of Maryland; that her place of residence is unknown to the plaintiff, for when he last heard of her she was residing at Englewood, New Jersey; that her last known address was 17 William Street, Englewood, New Jersey, care of Mrs. Evelyn Lee.

It is thereupon ordered by the Circuit Court for Queen Anne's County, in Equity, that the plaintiff, by causing a copy of this Order to be inserted in some newspaper published in Queen Anne's County, once in each of four successive weeks before the 12th day of September, 1942, give notice to the defendant, Pearl E. Jones, the absent defendant, of the object and substance of this Bill, warning her to be and appear in this Court, in person or by solicitor, on or before the 28th day of September, to show cause if any she may have, why a decree ought not to be passed as prayed.

Dope of a Brother Editor

Writing under the nondeplume of Ichabod in the Prince Georgian, he gives his experiences of the rationing process:

"The latest dope is that women's clothing for the next few months will be made from automobile upholstery. After that they will have to use their imagination—and they had better have plenty. So if you see a frail coming down the street with a Ford seat cover on and with a Chevrolet chasis, you may know that papa is not making very much money. If she is dressed in khaki with a jeep tonneau, you can surmise her better half is in the army. And if she has her sail spread before the wind, with ballast fore and aft, you may be sure her love is connected with the navy.

"If papa comes home with breath that smells like gasoline, you can be sure he has been bootlegging again. Or if he arrives with his air raid warden's helmet on upside down, you can feel certain he has gotten some gas without using up any stamps. In either case, it would be unwise to light a match until the atmosphere has cleared.

"Which brings us down to our final and pet peeve. Recently we have been getting a box of matches with light-em stuff on only one side. Just how many times we have tried to ignite a match on the plain side of the box we do not know, but every time we have done it we have cussed the Japs and all their works. We have been told we came into the world naked, and if necessary we can revert to that condition."

STATE'S ATTORNEY

WARNING

ON VOTE BUYING

At the Primaries four years ago, both factions of the Democratic Party in Queen Anne's County unlawfully and corruptly bought votes with large sums of money.

This evil practice of vote buying has been a plague to Queen Anne's County, and is nothing but dirty and corrupt politics, and must be stopped, and it shall be stopped.

This is to give stern warning that I shall order the immediate arrest of any vote buyer, man or woman, prominent or otherwise, who shall at any time, or on or before the day of the Primary Election, directly or indirectly, give or offer to give any bride, reward or money, or any promise thereof,, to induce or procure any voter in selling and casting his vote for any candidate.

All vote buyers and vote sellers action of the November Grand Jury shall be held in heavy bail for the to be strictly dealt with to the fullest extent of the law, and I shall subpoena for investigation by the Grand Jury all necessary persons, books and papers.

Please Don't Call Washington unless you must!

WITH the war effort of 27 United Nations centered upon it, Washington is probably the busiest city in the world. It is fast outgrowing its physical limits—and its telephone facilities.

Since Pearl Harbor, long distance telephone calls in and out of Washington have increased from 68,000 a day to more than 101,000, or 50 per cent. Some of these calls, of vital importance, get caught in the rush.

Now, it is no longer possible to expand telephone facilities as in the past because critical materials are needed for the fighting fronts.

So we must ask you to cut down on every call you can to Washington and other busy cities across the country—so that the Army, Navy and the Government can have the right-of-way to get America's biggest job done.

If you must make a long distance call, won't you place it in the off-peak hours—

12 Noon to 2 P. M.
5 P. M. to 7 P. M.
10 P. M. to 9 A. M.
