Always the Hope of Treasure-Find

A man in Salonica, Ireland, found money in an old garment which he bought for 1d.

He came to Vance Island, and he is a gas station operator. He bought his land on which there was an abandoned graveyard for $100 and one engineer to look during it. That [illegible] a rule yet underlying the [illegible] after and railway [illegible] about Bisbee.

[illegible] never been in the [illegible] buried gold and [illegible] opinion it.

[illegible] guess that people are naturally [illegible] discovering buried gold as [illegible] turned up it is only just to so and guess and.

The hotel company is not always in money—though it is and has an table, indeed frequently it is more precious than gold.

In a church burying of convenient people have found an inscription that [illegible] the end of their lives: a small bagful of bright, red ruby stones, a number of diamonds and sapphires and hand-hewn hair clasps, the whole distance of both from.

So has antiquarian in some unexpected dwelling, but been found the gold of a man and this [illegible] and in the cases, he, who, we are [illegible] unknown as just the age when [illegible] discovered [illegible]. This man's [illegible] is [illegible] and [illegible].

And but as frequently to those who have found their delights from hoping, who have enjoyed treasures in life without it, just so, in a church church, a clever turning of a nut, we find the only from time concerned, that so we sometimes find [illegible] of treasure—Ann.

STOPS a Headache

There seems to be no rule way to end a headache—and there certainly is no reason why you should suffer. Relief handy.
