THE TALE OF PERFECT TIME

—IN A—

WATCH.

—FROM—

Mainspring to Hairspring

between them lies the secret. The mainspring is the power which it transmits to the active parts of the watch. The hairspring has the control and regulates the motion. The fitting is most delicate. Imagine 100th part of a hair (impossible isn't it?) Yet it is enough to interfere in its performance, so wonderful is the adjustment. The friction from accumulating dirt, lack of oil, etc., destroys these perfect fittings. Do not let your watch run to ruin from neglect. Remember our business is the care of watches, and our opinion costs nothing.

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles. A Chestertown Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Chestertown people testify to permanent cures.

James B. Hendrix, living on Cross St., Chestertown, Md., says: "Doan's Kidney Pills cured me of a severe case of kidney complaint and it gives me pleasure to recommend them to others. I contracted a severe cold which settled on my kidneys and left them greatly disordered. Very soon my back began to ache and bother me constantly, and the pain was so acute at times that I was forced to stop work and go home. I was strongly urged to try Doan's Kidney Pills and at last decided to so so. procuring a box at M. A. Toulson's drug store. They helped me from the first, I continued taking them, my back improved, the pains finally left and the kidneys were restored to their normal condition. I can conscientiously recommend Doan's Kidney Pills to others."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

THE MARYLAND EVANGELISTIC ASSOCIATION.

This important inter-denominational institution has entered upon another fiscal year with brighter prospects than ever. It reports for last year that a careful canvass has been made of a number of slum localities of Baltimore city; the sick of these humble and often sinful abodes have been visited; messages of hope and cheer have been carried to breaking hearts; the light of the gospel was introduced into darkened homes, and efforts made to bring uncared-for children under religious influences. The conferences and other meetings held in the counties have been of an instructive and inspiring character. While the educational was not ignored, the spiritual and evangelistic were emphasized. Mothers' Meetings which are informal gatherings—mainly social and conversational—were held for the purpose of enlisting the interest of mothers in the religious training of their children. The Sunday school, the public school, child nature, home religion, personal example, etc., were discussed. A large quantity of helpful literature has been distributed. Last summer Prof. Lee did a wonderful work in the Allegany Mountains, resulting in the building of a chapel and the establishment of a Sunday school and regular preaching.

SIMPLE HOME RECIPE.

Mix This Simple, Helpful Recipe at Home and Try it, Anyway.

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rhematism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.
