STATES IN DOUBT.

THE latest dispatch from the Baltimore Sun at 2 P. M., says Wilson has 272 votes sure with Minnesota and New Hampshire in doubt. The soldier vote on the border will decide the vote of these two states. The soldier vote as far as counted is going two to one in favor of Wilson. Should both of these states go to Hughes Wilson will still have a majority of 6 votes, which makes him a sure winner.

GO TO CHURCH.

Tomorrow is Everybody-go-to-church-Sunday. That means YOU and ME. Don't let a single person, white or colored, in Chestertown think he is not included in the invitation. Make the day a memorable one.

Delightfully Entertained.

The Woman Club of Cambridge in September extended an invitation to the Woman's Federated Club of Chestertown to visit them on Oct. 31st.

The invitation was accepted and about seven cars filled with club members started on one of nature's perfect days, when the air was so soft, the foliage so beautiful, the wheat so green and the road so perfect, it was like rolling through fairyland.

The ladies of Cambridge had decorated their club room with pumpkins as lanterns and other attractive Halloween decorations and served substantia refreshments, panned oysters, ham, salad, biscuit and coffee.

Madam Barslt of Havana, house guest of Mrs. Wilbur W. Hubbard, accompanied the party and gave a complimentary talk on the Spanish American Woman. Madam Baralt was one of the principal speakers at the Womans Section of the Pan American Congress in Washington last winter and is greatly aiding Mr. John Barrett the head of the Pan-American Union in bringing about a better understanding between South, Central and North American.

Most of the cars had a perfect run to Chestertown that evening and thus ended a perfect day, the first invitation the Chestertown Club has had to visit another Federated Eastern Shore Club.

Order of Publication.

The Schwind Quarry Company, to the use, etc., vs. Peter H. Thumlert, et al.

In the Circuit Court for Kent County, in Equity.

No. 1959.

THE object of this suit is to procure a decree for the sale of real estate in Kent county, Maryland, held by Carey H. Taumlert, and to apply the proceeds to the payment of the claims of the plaintiffs. The bill shows that the Schwind Quarry Company on the 15th of November, 1905, recovered in the Superior Court of Baltimore city judgment for $124.00 against Peter H. Thumlert, Harry E. Barnes, Noah T. Stirling, Robert J. Bateman and Andrew J. Power, which has been entered to the use of Harry E. Barnes; that Shepperd G. Miller on the 24th of May, 1905, recovered in the Baltimore city court judgment for $969.77 against the same defendants, which has been entered to the use of Leonard F. Stirling, and certified copies of said judgment have been filed in the office of the Clerk of the Circuit Court for Kent county, Maryland; that Harry E. Barnes is entitled to receive from Peter H. Thumlert, one of the defendants, one-fifth of judgment entered to his use, but has never received the same, and that Leonard F. Stirling has never been paid any part of the judgment entered to his use which he is entitled to recover; that Peter H. Thumlert on the 24th day of November, 1913, purchased a tract of land in Kent county, Maryland, known as the Fleischmann property for $1,050.00, and paid the entire purchase price, but because of the said judgments took the title thereto by deed from Michael S. Fleischmann and wife, dated 30th December, 1913, and recorded among the land records of Kent county, Maryland, in liber J. T. D. No. 29, folio 144, in the name of his son, Carey H. Thumlert, who knew that the object of so taking the title was to protect it from said judgments, yet consented so to take it; that the said Peter H. Thumlert has no other property; that the action of the said defendants was to hinder and delay the said judgment creditors of the said Peter H. Thumlert in the recovery of their claims, and was a fraud upon their rights.

It is asked that the said deed from Fleischmann and wife to Carey H. Thumlert may be construed to be to the use of the said Peter H. Thumlert; that the property so conveyed may be held to be the property of the said Peter H. Thumlert and made subject to the claims of his creditors; that a trustee may be appointed to sell said land and apply the proceeds under the supervision of this court. That the said Carey H. Thumlert is a non-resident of the State of Maryland, having been returned non est upon two subpoenas issued for him in this cause, the plaintiffs have been by an order of this court dated October 30th, 1916, authorized to proceed against him as a non-resident of the State of Maryland.

It is thereupon, this 31st day of October, 1916, ordered by the Circuit Court for Kent county, Maryland, in equity, that the plaintiffs, by causing a copy of this order to be inserted in some newspaper published in said Kent county once in each of four successive weeks before the 4th day of December, 1916, giving notice to the said absent defendant, Carey H. Thumlert, of the object and substance of this bill, warning him to appear in this court in person, or by solicitor, on or before the 20th day of December next, to show cause, if any he has, why a decree ought not to pass as prayed.
