LOCAL MATTERS.

Sale Record.

The following is a list of the land sales advertised elsewhere in this issue.

PUBLIC SALES.

By John D. Urie, Trustee.

Saturday, July 11thr—Two valuable tracts of land situated in the Fifth District. These are valuable small tracts.

By Hope H. Barroll.

Tuesday July 28—Court House Door. House and lot of land in Millington at Mortgagee's sale.

Tuesday, July 28—Same place, Trustee's sale of Stauffer house and lot of land in Chestertown.

Tuesday, July 28th—House and lot of land in the town of Rock Hall.

Lewin W. Wickes, Trustee.

Tuesday, July 28.—Court House door. House and lot of land in the Sixth District.

Hay Burned.—Mr. Thomas W. Trew, of near Lankford, lost about twenty-five loads of fine mixed hay one day last week. His men were getting up hay and just before going to dinner they set fire to an old straw rick and let it burn while at the noon meal; upon returning to the field they discovered the hay on fire and before the flames could be quenched a full rick and several cocks were destroyed.

His Prayer Was Answered.—A prominent evangelist who is holding a series of meetings in Chidago, one evening this week prayed that the plans of those people who sell liquor in parks and places of amusement might be burned to the ground. Within twelve hours after the prayer was offered the largest liquor selling place in one of the parks was destroyed, causing a loss of $50,000 to the owner. Other saloon keepers have become so intimidated that they are making arrangements to dispose of their stock. Would this not be a good way of getting rid of some of the speakeasies in this town and county?

NEWSY BRIEFS.

*†*Local buyers were paying 89½ cents per bushel for wheat yesterday.

*†*J. Waters Russell has sold his Sparks property in Crumpton to Wm. T. Solloway. Price $1050.

*†*Mr. J. H. Carter has bought of J. Waters Russell the "Waterloo" tract near Ingleside. Price $1650.

*†*There have been but two rains in this section within the last 50 days. The last good rain fell on June 14th.

*†*Monday was the hottest day of the year here, the official thermometer registering 92° in the shade at noon.

*†*The gooseberry crop has been a failure this year, prices being only about half what they were last year.

*†*Mr. Bert Jacquette has rented the farm in the Fifth District now tenanted by Mr. Wm. E. DeFord.

*†*Cholera is playing havoc among the hogs on Scott's Point. More than a dozen fine porkers have died during the week.

*†*Mr. Daniel Cox, of Queen Annes county, has been appointed keeper of Chester bridge for two years from Jan. 1, 1909.

*†*Dr. H. G. Simpers purchased yesterday a fine Ford runabout automobile from Wright and Lowe, Centreville, agents.

*†*Mr. Walter T. Pippin has the contract for the remodeling of the residence on Queen street recently purchased by Dr. Harry G. Simpers.

*†*It is said that more that 10,000 people were at Tolchester on the 4th. Big crowds have been patronizing the popular resort, 5000 people being there on Thursday.

*†*Cats have been playing havoc with the young chickens of residents on Spring avenue. That's bad on a certain preacher whom we know and esteem very highly.

*†*Mr. Cornelius Haddaway shipped the first lot of peaches from Quaker Neck this week. The consignment consisted of 100 baskets and brought good prices.

*†*Messrs. Vachel Burgess, Wm. T. Maslin and Harry T. Rash have been appointed examiners by the county commissioners to examine a new road to be opened in the Fifth District.

*†*The Commissioners of Still Pond are preparing to make numerous improvements in the town as soon as the funds will permit. Their tax rate has been fixed at 30 cents on the $100.

*†*Mr. Louis K. Stam has finished and delivered on Monday to Mr. Harry D. Jones, of Lankford, a 35 foot canoe with a fine 5½ horse power Ferro engine. Mr. Jones will use the boat for oystering this fall.

*†*The Chestertown M. E. Sunday school enjoyed the day at Love Point on Wednesday. Emmanuel P. E. Sunday school went to the same place on Thursday, and both schools carried good crowds.

*†*Mr. John S. Vandegrift spent Monday night on the bridge, owing to the hot weather. He said it was so cool out there at four o'clock in the morning that a thick blanket would have been comfortable. Better than it was on the avenue.

*†*Mr. George W. McWhorter, one of our prominent liverymen, lost a valuable driving mare on Saturday. She died in front of the Stam Drug Company store. Mr. Walter Trew, of near town, lost a valuable colt on Monday.

*†*A handsome Barry granite tomb with markers and rail posts has been erected by Mr. and Mrs. Wm. R. Aldridge in their lot in Chester cemetery. The tomb occupies the center of the lot and has inscribed thereon the words "Aldridge." The tomb is erected in memory of their daughter, Anna Augusta Aldridge.

*†*A gentleman from Betterton on Tuesday, in a position to know, states that there was the largest and best crowd of people at the resort on the Fourth in its history. He said that there was not an accident, nor a single act of disorder, and everything passed off splendidly. This is a great compliment to the popular resort.

*†*A valuable beef cow died at the Paper Mill Monday about noon from being overheated. The animal belonged to Mr. S. Grollman, of Worton Point, and one of his men was driving it with a number of others to the slaughter house of Mr. C. W. Copper, when at the mill the cow got down and died in a few hours. The animal was valued at about $35.

*†*It has been reported here during the week that the American Strawboard Company has gone into the hands of a receiver. This is a mistake. The American Board Box Company, which is owned by the American Strawboard Company, has gone into the hands of receivers, but it will not affect the financial condition of the American Strawboard Company. It is to be hoped that the mill here will be put in operation, in order that those who have been out of employment so long may find work.

Wheat Yields.

Mr. W. T. Money, on the George W. Rodenhiser farm, threshed 1800 bushels wheat from 87 acres.

Mr. William T. Nicholson got 2160 bushels of wheat from a slightly less acreage from which he threshed 5000 bushels last year.

Mr. Robert G. Nicholson threshed over 24 bushels per acre from his 60-acre tillage. This is the best yield yet reported in this section. His actual yield was 1450 bushels from 58 drill acres.

Mrs. Alberta Beck got an average of 16 bushels per acre on her farm near Tolchester.

Mr. Samuel Mann got an avarage of 20 bushels per acre.

Mr. Edward Robinson on the Barroll farm threshed 18 bushels per acre. This is such a good yield, that we may expect to see friend Ned taking a trip to the Wild West, where a friend of his is spending the summer, to shoot big game.

Mr. James Brice got 1200 bus. from 74 acres on his Morgnec farm tenanted by Mrs. Carter.

Mr. Leaverton on the Jump farm near Fairlee got 1956 bushels from 102 acres.

Mr. Joseph Trew got an average of over 17 bushels per acre.

Mr. Walter Kendall got over 16 bushels per acre.

Mr. John D. Welch on his farm up the county got 2000 bushels from 120 acres. He got 30 bushels per acre from 26 acres.

Mr. Eugene M. Bonwell, possibly the largest wheat grower in the county, got 26 bushels from Ohio or Pools Fultz and 28 from Prolific. This is the record crop for the county so far this season. In a letter Mr. Bonwell says:—I have finished threshing my wheat at home, and as near as I can come to the yield of the Ohio or Pools Fultz is 26 bus. per acre, and find it scabbed about the same as the Curls Prolific; the Fultz's Mediteranean was scabbed much more, the yield of the three varieties averaged 28 bus. per acre. The Ohio wheat is a nice clean wheat except is mixed some with the Curls Prolific and I intend to try it again. Mr. Bonwell is one of our very best farmers.

Mr. W. H. Bonwell got 22 bushels per acre from one field and 24 bushels per acre from another.

Mr. Percy V. Hendrickson on Tolchester farm got an average of 19½ bushels from 120 acres. He got 22 bushels per acre from fallow.

Mr. Wm. H. Anderson got 734 bushels from 55 acres.

Mr. J. Elwood Morris got about 15 bushels per acre.

Mr. Purnell Jefferson threshed his last years's crop just before harvest and got a good yield. He also has a good yield in this year's crop.

Mr. P. A. M. Brooks got an average of 15 bushels per acre on his home farm.

Murder at Golt's.

Jacob Martin, colored, is in the Chestertown jail charged with murdering Carroll Boyer at a church festival in Golt's on the Fourth. Boyer died in a Wilmington Hospital this week. Martin waived a hearing yesterday, and will be defended in court by Harrison W. Vickers, Jr., Esq.

Walter Bradshaw is held for the action of the Grand Jury for inciting riot and carrying concealed weapons at the festival and Walter Boyer is held for court for assault with intent to kill at the same festival. Rope 'em in Sheriff Hadaway. You are all right.

THE TRANSCRIPT IN IT AGAIN.

Last week the TRANSCRIPT published a petition, with signers, to the Pennsylvania Railroad Company, asking that a change in the present schedule of the Kent afternoon train be made from 1.30 o'clock leaving time to 2.32 o'clock as before the change. A prominent business man of Chestertown forwarded a copy of the TRANSCRIPT to Mr. A. J. Whitney, Jr., Superintendent of the Delaware Division, at Wilmington, and received the following very prompt and courteous reply:

DEAR SIRS:—Replying to your letter of the 3rd inst. I am very sorry that the change in schedule on the Queen Anne & Kent R. R. and the Baltimore & Delaware Bay R. R. was not what the people of Chestertown and Centreville desired, but it was necessary for us to change the time of train No. 39 making it earlier in order to arrange a connection south, and to do this we had to connect the train from Centreville and Chestertown with No. 39 in order to handle the express etc. for this train.

Connection was put on train No. 48 thinking that it would give the people a better connection to Philadelphia and avoid so long a lay over at Townsend.

We contemplate running this schedule during July and August, after that time, we will probably restore the old service.

Yours truly,
Superintendent A. J. WHITNEY, JR.

The TRANSCRIPT is glad to learn that its petition has had some effect, and that the present inconvenient schedule is to be run only until Sept. 1. But it had hoped to secure an immediate change in the schedule in the interest of the business men and people generally who have been put to great inconvenience in preparing afternoon mail because of the short time between the arrival of the morning mail and the departure of the afternoon mail. Every town on the shore affected by the change in schedule Centreville, Easton, Cambridge, is kicking against the change, and in the interest of the people we believe that there should be an immediate change to the original time of leaving here in the afternoon, even if a longer or shorter wait at Townsend has to be made. It should be remembered that this change affects thousands of people who are good patrons of the company, and whose interests should be considered above everything else. The TRANSCRIPT is glad that it has succeeded in getting favorable action from the company to a limited extent and hopes that it may succeed in securing the desired change by the company.

Wedding Bells.

DOCKER—JOHNSON.

Miss Blanche Johnson, daughter of Mr. and Mrs. Stonewall J. Johnson, of near Massey, was married on July 3rd to Mr. Clarence Docker, a prominent young Pennsylvanian, by Rev. James Daley, of Galena. The bride was educated at Notre Dame College, and is a grand-daughter of the late Col. Richard C. Johnson. She belongs to one of the prominent families of the Eastern Shore, and is very popular in the social circles of North Kent. The bride wore a handsome suit of copenhagen blue with hat and gloves to match and carried a handsome bouquet of bride roses and maiden hair ferns. Mr. and Mrs. Docker are enjoining a honeymoon tour after which they will reside in West Philadelphia. They have our best wishes and congratulations.

JOYNER—HICKEY.

A wedding of interest and which was indeed a surprise to the young couple's friends was that of Miss Sallye A. Joyner, of Rock Hall, to Mr. James P. Hickey, of Quaker Neck. The ceremony was performed June 10th, 7.30 P. M., at the M. P. Parsonage, Chestertown, Rev. Dr. F. T. Little officiating. The bride is the youngest child of Mr. Samuel Joyner; the groom the youngest son of Mr. Wm. D. Hickey, Sr., a well known farmer of Kent. The couple have best wishes from a host of friends. They will reside at Rock Hall.

RELIGIOUS MATTERS.

On account of the absence of the pastor there will be no preaching service at Wesley Chapel on Sunday July 12th.

A special dispatch from Ocean Clty, Md., says:—"Bishop Alfred A. Curtis, of Baltimore, one of the most eminent prelates of the Catholic Church and former bishop of the Diocese of Wilmington, is critically ill here with cancer of the stomach. It was announcep Tuesday night that he was much weaker and will probably not survive many hours. He is the guest of Bishop Monaghan, of Wilmington, at the latter's cottage. "Bishop Curtis, who was 77 years of age Wednesday, has been with Bishop Monaghan at this seaside resort for a week. He has not been able to retain any nourishment for a fortnight, not even water. As a result he was in a state of complete exhaustion late tonight. Vicar-General John A. Lyons, of Wilmington, who was with the distinguished patient during the past five days, returned to his home this evening.

Rev. John M. Arters, of Wilmington, district superintendent of the Anti-Saloon League, delivered addresses in Bond and Rock Hall M. E. Churches on Sunday.

Chestertown M. E. Church—Preaching at 10.30 A. M. Sunday school at 2.15 P. M. Twilight services at 6.45 P. M. Mr. T. Kemp Bordley will speak on the E. L. Convention recently held at Millington. All are cordially invited.

Christ M. P. Church—Rev. Dr. F T. Little, pastor. Testimony Meeting at 9.30 A. M. Preaching at 10.30 A. M. Sunday school at 2.30 P. M. Juniors at six o'clock. Twilight services at 6.30 P. M. To all these services you are cordially invited.

Rev. T. O. Crouse, pastor of Georgetown, D. C., M. P. Church, has been appointed pastor of North Baltimore M. P. Church to succeed Rev. F. C. Klein, who was elected Foreign Missionary Secretary at the last General Conference. Rev. E. D. Stone, of Centreville, goes to Georgetown, and Mr. Stone's successor has not yet been named by President Sheridan, who made the changes.

MRS. FRANK STROEBE

I was a nervous wreck.
I felt no desire to live.

REMARKABLE RECOVERY, THANKS TO PE-RU-NA.

Mrs. Frank Stroebe, R. F. D. 1, Appleton, Wis., writes:

"I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a ***nervous wreck,*** could not sleep, eat or rest properly, and felt no desire to live.

"Three bottles of Peruna made me look at life in a different light, as I began to ***regain my lost strength.*** While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life.

"I certainly think Peruna is without a rival as a ***tonic and strength builder,*** and it has my endorsement."

This lady entirely recovered from a nervous breakdown. She did not go away to a sanitarium, and spend hundreds of dollars for a cure. She just staid at home, took Peruna, and in four months weighed more than ever in her life, had a splendid color, life looked bright to her. Peruna did all this for her. What more could be expected of any remedy?

Man-a-lin the Ideal Laxative.

Where is the Pleasure?

Is it not possible for the good Sunday school people in Chestertown to have a picnic in a more rational manner? Every household interested in the picnics which now go to Love Point or Queenstown is disturbed at 5.30 A. M. The children are gotten off in a a hurry, only half eating their breakfasts, and every one comes back tired and worn out at 8 o'clock in the evening. This is entirely too much of a day for the little ones, and a great strain for the old people who accompany them, not to mention the disturbed households left behind.

Why not revert to the "Old-time Picnic" for a year or two now? Let us have the next one in a woods near town, to which the children go at 10 o'clock in the morning and return in the early evening. If this be impracticable, why not get all four Sunday schools to unite and charter a boat? Then leave Chestertown at 8 o'clock for Tolchester, or for Annapolis, or for Sleepy Hollow, or some place, somewhere, anywhere!

SUFFERER.

Clearance Sale.

The great clearance sale of shoes and gent's furnishings, at James H. Shuster's pretty store is now or, and we want to say in the beginning that every particle of this stock offered is new and of the very latest pattern and style. Mr. Shuster believes in clearing his shelves of one season's goods to make room for another and hence the clearance sale of surplus spring and summer stock to make room for the splendid fall and winter stock which he will offer the public. Mr. Shuster will give the public the benefit of substantial reductions in the price on good goods, which makes the sale attractive. Shoes and furnishings, etc., are always in demand. They are something you have got to wear all the time to look genteel, and if you can buy now at a sacrifice sale, it is worth your while to save money now and keep the shoes or furnishings for next year. That's business and don't you know that is what has taken a great many people to the city at this season, to get the benefit of cut prices. Look up Shusters big advertisement on page 8 this morning and go quick to get the sure bargains which are offered.
