In our advertising columns appears the advertisement of the large and valuable personal property of James Willis, one of the leading farmers of our county. This personalty represents the years of effort to Mr. Willis to raise and select the kind and quality of stock that is the delight of the high class farmer and stockman. No finer lot of stock has been gathered on any farm in this county than will be offered to the public on Aug. 3rd, by Mr. Willis, who on account of the health of his family has been compelled to sell both his personal and real property in this county and go West. We hope that the success that has been his as a farmer in Kent will follow him in his new home in the West.

Wednesday, August 5th—On the "Chambers" farm in Queen Annes county, Mr. Ivanhoe Willis will sell a large and very valuable lot of personalty. Charles H. Hurlock and Jack Jester; Auctioneers. John D. Urie, Attorney.

By Sidney P. Townshend.

Valuable personalty will be offered for sale by Mr. Benjamin F. Merchant on the farm where he now resides, near Galena, on August 12, 1908. Mr. Merchant began farming about two years ago and consequently all of the implements and machinery are practically new. The advertisement inserted elsewhere in this issue should attract everybody who needs first-class farming stock and implements. Mr. Merchant will remove from the county to Denver, Colorado. Look up this advertisement. It may pay you.

Attention, Bee-Keepers.—All keepers of bees in Kent county will please send their name and address to Prof. Thos. B. Symons, State Entomologist, College Park, Md. He has something of value for you in the bee-keeping industry.

Cecil Farms Sold.—Jeremiah C. Price has sold his fine farm of 389 acres in the First district, near Earleville, to ex-sheriff F. Ambrose Price, for $18,000. The farm is improved by excellent buildings and is one of the most productive tracts of land in Cecil county.

Cashier Resigns.—Henry T. Deaver, cashier of the National Bank of Chesapeake City for the past two years has presented his resignation, to take effect August 15. The directors of the bank have elected Richard S. Wallis, of Kent county, to succeed Mr. Deaver. Mr. Wallis was cashier of the Farmers' Bank at Galena for four years, and is a young man of splendid ability in the financial world.

Commission Firm Dissolves.—The well-known Baltimore commission firm of James W. Jerome & Co., has been dissolved. This firm was well-known on the Eastern Shore and Kent county, and many of its patrons here regret to hear of its dissolution. Mr. J. Harry Vickers, formerly of the firm, has associated himself with the reliable firm of Brown & Stubbs. Mr. Vickers is a Kent county boy, and will do his best to look after the interest of his many friends here. Mr. Jerome has associated himself with the well-known and reliable firm of Stevens Bros., so well-known to Kent shippers. Mr. Jerome will attend to all grain shipments.

The John H. Sparks' Shows.

The rapid growth and improvement that has marked the career of this show since its last appearance in Chestertown is a tribute to the genius of the man whose name it bears. Everyone remembers the excellence of the special features and the clean and respectable character of the exhibition in former years in spite of its lack of proper equipment and sufficient capital.

The high class, improved and augmented organization will pitch its great tents in Chestertown, Aug. 11th, and give exhibitions afternoon and night. From the arrival of the special train of palatial railway cars to the close of the performance, evidences of the real genius and capability of the now famous manager will be visible. The street parade will not be large, but will be handsome and attractive. The equipment will be of the finest the costumes and trappings elegant and costly, and the arrangements for the comfort and enjoyment of its patrons actually luxurious.

No cheap or antiquated acts will find a place on the programme, and an inspection of the list of artists is ample proof of this statement.

From the big performing elephant "Mary" and the baby elephant "Barney," to the beautiful educated ponies performed by P. T. Barnum's old business partner, "Uncle Dan" Costello, the trained animal acts are not to be surpassed anywhere.

The marvelous Millette Family of acrobats have no superiors in the world, and the beautiful Kandells Sisters, queens of the air, will appear in startling leaps and flights through space. The Aerial St. Elmos are examples of Europe's best in the same line. The French Troupe DuRell Mendoza, comedy acrobats and grotesques are entirely new to this country. There are bar performances, leapers, tumblers, wire walkers, jugglers, marimba players, tyrolean hoch dancers, a troupe of lovely women in the graceful L'Echelle. A bunch of funny clowns headed by Barney Shea and Billy Lightfoot will keep the audience laughing, and when they are not busy, Panhandle Pete and his comedy mules will get into the game and make everybody howl. There are many other interesting things, and no one should miss the famous Sparks' shows.

To Peach Shippers.

The following letter received yesterday from Stevens Bros., commission merchants, Baltimore, says:

Baltimore, July 30, 1908.

CHESTERTOWN TRANSCRIPT, Chestertown, Md.—

Gentlemen: We see by the papers some days ago that there is a heavy crop of peaches on the Eastern Shore of Maryland and Delaware. We desire to say that from reliable sources this is not true by any means on the Eastern Shore of Maryland, for the crop is very irregular and altogether we call it a light crop. We are handling to-day our last car Georgia peaches and crop from that State has been very large, but they are now through shipping and the trade will have to look for their supplies at present from the water courses of Maryland and Delaware and the crop from this section being lighter than anticipated sometime ago, we look for an active demand for peaches at better prices than have been ruling up to this time. Of course the quality of the fruit will govern the price to a great extent.

Very truly yours,

MISS ANNIE CATRON.

CATARRH MADE LIFE A BURDEN TO ME.

MISS ANNIE CATRON, 927 Main St., Cincinnati, Ohio, writes:

"As I have found Peruna a blessing for a severe case of catarrh of the head and throat which I suffered from for a number of years, I am only too pleased to give it my personal endorsement.

"Catarrh, such as I suffered from, made life a burden to me, my ***breath was offensive, stomach bad, and my head stopped up*** so that I was usually troubled with a headache, and although I tried many so-called remedies, nothing gave me permanent relief. I was rather discouraged with all medicines when Peruna was suggested to me.

"However, I did buy a bottle, and before that was finished there was a marked change in my condition. Much encouraged I kept on until I was ***completely cured*** in a month's time, and I find that my general health is also excellent."

People who prefer solid medicines should try Peruna tablets. Each tablet represents one average dose of Peruna.
