**Election—Tuesday, November 5, 1907.**

The Republicans of this state cannot be accused of being superstitious. If they were they would throw up the sponge with the fatal number of thirteen "cotton tots" as delegates to the convention.

Colored delegates were as scarce as the proverbial hen's teeth, and only 13 colored men were seen in the gallaries.—Wednesday's *Baltimore News.*

Queen Anne's sent three which is a large majority of the 13 mentioned having attend the Republican State Convention. Wonder what our forefathers would think of us!

Our namesake the Baltimore *News,* which promised a good prospect in the Maryland campaign for the Democratic bookmakersin the spring gives signs of going bad-gaited. It opened up for the Crawford county system, which was adopted. Mayor Mahool was selected by the system and the *News'* whooped her up. After the Mayor was elected, the *News* set out to fill the different offices, and the majority of its favorites were selected. After this was completed, the *News* set at work to select a candidate for Governor and, just because it failed to land its favorite, she wants her money back. This is only a fair sample of these reformers, independents, etc. Their whole stock in trade seems to be either to rule or ruin.

At the Democratic State Convention in Baltimore, last week, Austin L. Crothers an Eastern Shoreman was selected as the candidate for Governor of Maryland. This alone should command many votes for him from people not regular Democrats. But, not only this, Mr. Crothers practiced law in this judicial circuit for years and has filled the vacancy on the bench of this same circuit since Judge Edwin H. Brown's death and he is personally known to a large majority of the voters in this circuit.

Hon. Joshua W. Herring, the nominee for Comptroller, has filled the position for two terms, having been elected in 1899 and 1901. Isaac Lobe Straus, the nominee for Attorney-General is a very prominent lawyer of Brltimore city and C. C. Magruder, nominee for Clerk of the Court of Appeals, is a prominent lawyer and farmer of Prince George's county.

Throughout the entire state much praise is given the Democrats for the selection of such a strong state ticket and, we think it would have been difficult to have selected a stronger ticket.

A New York minister says there are forty-four roads to hell and only one to Heaven. You'd think the one would be more crowded than it is, wouldn't you?

The Republican County Convention Monday named delegates to the judicial and state conventions but nothing was given out about a county ticket. What is the matter?

Money has a queerly contradictory effect upon men. When there is plenty of loose change men are apt to get tight, but when money is tight, then is the time that men get sober.

A Chicago woman threshed her husband when she heard that he had filed application for a divorce. That will teach him never to take such a step again without first obtaining permission.

One of the planks (very weak) in the Republican platform calls for a corrupt practice law. This must make "Uncle Billy" smile, for just as soon as the race gets interesting, he'll being making a noise like a bookmaker.

It is difficult to understand what the diatribes of the convicted Oil Trust and its defenders mean unless their bitter complaints of persecution signify a demand that they should be allowed the privilege of breaking the laws with impunity.

The University of Chicago has capped the climax by producing a professor who questions the possibility of a man being a sincere Christian who is engaged in the production of wealth under modern methods. Coming from the source it does, this is the unkindest cut of all.

Hurrah for Philemon B. Hopper, the nominee for associate judge of the Second Judicial Circuit of Maryland! A brilliant lawyer and one of Queen Anne's favorite sons. Let us all join hands and roll in a handsome majority in November for our honored fellowman and the whole Democratic ticket.

The Republicans are known the country over as standpatters, but here's the limit: At the Republican State Convention they wanted to enact a law to cut out buying votes. In Queen Anne's a prominent Independent leader openly declared that the Republicans will furnish them (the Independents) $10,000—and more if needed—to carry Queen Anne's county.

Just as if John D. Rockefeller is not having enough troubles at present, they have commenced looking up some of his poor relations.

A couple in a Massachusetts city, believing in the fresh-air life, have built themselves a summer home in a tree. When they are finally installed they might have a grand blowout.

## Nervous Indigestion

The action of digestion is controlled by nerves leading to the stomach. When they are weak, the stomach is deprived of its energy. It has no power to do its work. If you want permanent relief, you must restore this energy. Dr. Miles' Nervine restores nervous energy, and gives the organs power to perform their functions.

"For many years I was an acute sufferer from nervous indigestion; at times I was so despondent life seemed almost a burden. I tried all kinds of remedies and various physicians with little or no relief, until one night last summer I saw Dr. Miles' Nervine and Heart Cure advertised. I resolved to make one more trial which I did in the purchase of one bottle of Nervine and one of Heart Cure. In a few days I began to feel better, which encouraged me so much that I continued the medicine until I had taken more than a dozen bottles. I am very much improved in every way; in body, mind and spirits since. I make a special point to recommend the medicine, and I feel a sincere pleasure in knowing that several persons have been benefited through my recommendations."
A. S. MELTON, Ashville, N. C.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

## KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

## FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted *from* disordered Kidneys disappear, because the *cause* has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from it to so times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.
