Concerning Your Telephone

—Progress—

THE Bell telephone and progress go hand in hand. The lines reach everywhere; in the crowded cities, in the villages, on the farms.

Telephone work is something that can't stand still. To serve the public properly the system must be constantly extended.

Telephone progress means community prosperity. New telephones mean increased business.

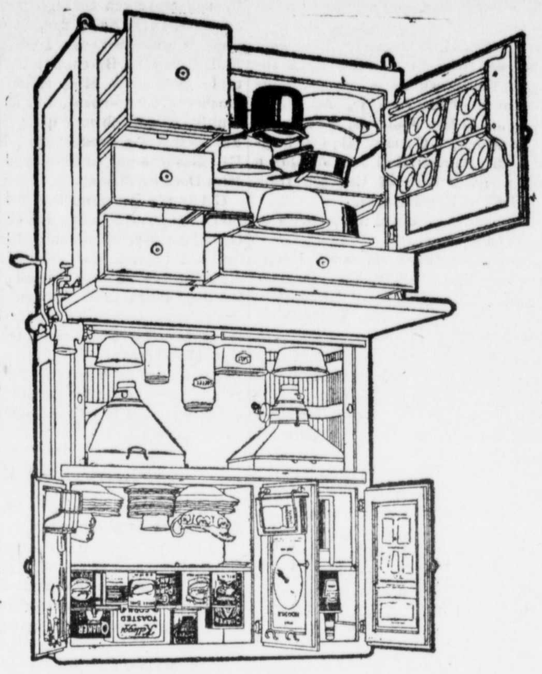
SPECIAL Kitchen Cabinet

No More When These Are Gone



The Hoosier Company has consented to let us offer this drastic reduction as a special August drawing card.

Only once before in history have they authorized us or any store in America to make a cut in price like this.

On that occasion practically every Hoosier Special in America was quickly taken. Many women could not be supplied at all.

It seems without doubt that this will happen again. Thousands of women want the Hoosier and have planned to get it.

So don't blame us if you come too late. Our allotment is limited and the factory has written us this:

"When you sell your stock of Hoosier Specials you are to stop your sale immediately.

Sale Begins at 8 a. m. Saturday, August 4

The terms of the Cut-Price Hoosier Sale are these:

1. Pay only $1 when you order the "Hoosier Special."
2. Pay the balance only $1 a week.
3. No interest, no extra fees.
4. Your money all back if you are not delighted.
5. Bona fide cut of $5 in the price, but sale ends absolutely when our small allotment is gone.

We Save You a Dollar a Minute.

It won't take you over five minutes to decide when you see this unbeatable bargain. And in that five minutes you save $5.

We'll accept your order by telephone, but unless an order is given no cabinets will be reserved.

And please don't forget that many women who have made up their minds to have the Hoosier, will see this offer and lose no time.

Only by coming early Saturday, Aug. 4, can gou be SURE of getting one of these wonderful cabinets at our unheard-of price.

Kent's Sons Called to Colors to Fight for Survival of Freedom.

The army draft has been made and below we publish the list of Kent's sons, from which will be drawn the county's quota to make the great army to fight for the survival of freedom and make the world a safe place in which to live.

With little excitement, Kent's young men who were drawn, from the first, accepted the result in a "debonair manner" that is, like men who had made up their minds to accept what came quietly and resolved to see the thing through.

The first army will be made up of 687,000 men. Maryland's part of this army will be 7096, while Kent county will be required to furnish 104. Allowing for exemptions, it is thought that about 400 names will be required from which to draw this number. 208 will be called by the Kent County Board at first, from which to get Kent's quota, but it is not likely that this will be sufficient.

The following is the first 400 names, printed down the column in the order in which they were drawn. This list is not official and may contain some errors. Many of this list have previously enlisted.
