THE LADIES' STORE, CHESTERTOWN, MD.

JEFFERSON.

SEMI-SUMMER REDUCTIONS.

AS the summer is fast passing away and finds us with a few odds and ends in the various lines yet on hand which we will close out at a great reduction to rid our shelves in order to make room for the vast array of fall goods which will soon begin to arrive. While the price in these "odds and ends" are exceptionally low, they are in no wise damaged but are genuine first class stock and as represented or money cheerfully refunded.

WE desire to call especial attention to the fact that "Ladies Store" is the only dry goods and notion house in the town that closes at 7 p. m. during the months of July and August and hope that the public will appreciate this and call during the day and secure some of the bargains offered below.

MILLINERY AT HALF PRICE.

Our Millinery parlors must be cleared AT ONCE. We need the money, we need the room. There are some few choice pattern hats, sailors, trimmed and untrimmed hats, flowers, ribbons, etc., here which must go; we say 50c on the dollar takes them; all persons can find real bargains here. Don't wait, come inspect, but meditate not for the price will surely please.

White Goods.

We have just finished our largest season on white goods, and the cause for the amount of business has been the quality of the line. This has been equal to any to be seen in the city. We are now ready to close out the odds and ends at great sacrifice.

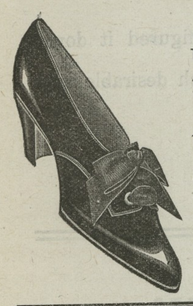
A GREAT SHOE CLEARANCE.



You know what that means. It's a clearing up of all Spring and summer shoe stock. "Six months and out"—is the rule—and here they go.

Kennedyville Items.

The farmers are picking their tomatoes. The crop will not be large. The corn crop will be short also, but both crops would have been poor indeed had not the rain come when it did. The farmers are thankful that they have it no worse as some sections of the county are suffering more than we are.

There is quite a contrast between the farm laborer to-day with his fine horse and carriage several nights in the week and Sunday too, when he goes out to enjoy himself, while the city laborer is walking the streets night and day looking for something to do, and sometimes the strain is too much for him and he committs suicide because he can't get work or does some other rash act. The country may be slow, but she is sure the city is fast, and sometimes you fast so long you starve to death.

Our community was shocked last week when the report came that Harry Jarrell was dead. Harry had been away for several years, but was always a welcome visitor when he came home. He was in our community quite a number of years and everybody liked him because he was a good fellow, he would do anything he could to help others, you never heard anything but that Harry was alright, and when he left the community he was missed, his work, his example, his presence was missed. If we had more Harry Jarrells we would have less wrong doing than we have. We do not understand why such ones are taken, but sometime we will understand as the great ruler knows what is best, he makes no mistakes. Mr. and Mrs. Jarrell have the sympathy of the entire community in their hour of bereavement. We are glad to hear that Oscar is improving and hope he will soon fully recover. This is a very sad hour for Oscar, and he also has the sympathy of the community.

Mr. Henry had charge of the morning service last Sunday as Rev. Mr. Fooks was attending a funeral. Next Sunday the regular church service. Rev. Mr. Fooks expects to give a lecture in the near future which is said to be very interesting, so let everybody get interested and come when the lecture comes.

A great many of our farmers and villiage folks too, are entertaining relatives and friends from the city, and are sure that the preachers do not get all of the chickens, watermelons, sweet potatoes, corn and all those good things which grow, because if they did we would have to send them to the Hospital or some other place where they take sick people, so we just divide up and all have enough.

There is quite a number sick in the community.

Mrs. William Anthony died on Wednesday night of typhoid fever. Two of their little children and Mrs. Anthony's sister also have the fever. Mr. Harry C. Price and two men living with him have the typhoid fever. Dr. Jones and his aunt, Mrs. Gertie Morrow, are sick at the doctor's father, Mr. Thomas Jones.

Mrs. Dora King and two boys from Philadephia have been visiting relatives and friends in the community for several weeks.

Mrs. Kate Pennington has been visiting her son, L. G. Pennington, and relatives at Lynch's the past week.

Miss Flora Johnson has returned home after having a pleasant time at St. George's, Del., for sometime.

We are glad to say the sick are improving in our community. Our doctors have been busy of late. Some of those that are improving are Harry C. Price and the two men that live on the farm. At Wm. Anthony's, his little boy and Miss Minnie Durham. At Thos. Jones', Dr. Jones and Mrs. Gertie Morrow. Mr. Wm. Rasin has the typhoid fever at his home near here, as is also Mr. John Cox's son near Locust Grove. Mrs. Fooks has been quite sick for several days. Mrs. Clara Glenn has been quite sick at the home of her sister, Miss Lula Vandyke. Mrs. Herman Wood also is under the doctor's care.

There will be regular church services on Sunday next. Rev. Mr. Fooks is working earnestly in the interest of the church.

Mr. and Mrs. Kramer, of Frederick county, are visiting Mr. F. C. Miller and wife. Mrs. Miller who has been sick is much improved. CITIZEN.

Still Pond Items.

Mrs. Elizabeth Smith, of Chestertown, spent a few days last week with her sister, Mrs. Wm. Krusen.

Mrs. Harry Weyl and children, of Wilmington, visited at the home of Mrs. Sallie Norris the past week.

Quite a large crowd in our town were disappointed Thursday; on account of the rain they could not take in the fair at Tolchester. We hope they made out all right Friday.

Mr. and Mrs. Elwood-Whaley, of Chestertown spent Sunday at the home of her son, Mr. Willis Hackett.

Mr. Charlie Hague visited Baltimore Wednesday and Thursday.

Miss Emma Meeks is visiting her many friends in Rock Hall.

Mr. Watts, of Philadelphia, is visiting at the home of Mr. Chas. Hague.

Misses Nellie, Hannah and Helen Winkler, of Wilmington, Del., and Miss Anna VanDyke, of Townsend, Del., have been visiting for the past two weeks with Mr. and Mrs. Jack Schofield, at Betterton.

Miss Ida Smith and Mr. Josie Bullock, of Baltimore, have been visiting their aunt, Mrs. E. M. Taylor.

Epworth League will be led Sunday evening by Rev. E. H. Collins. Topic. Crosses of the cross.

Mr. and Mrs. John Bennett gave their little daughter a birthday party Wednesday evening at her home near Still Pond. Quite a few of her little friends attended, and all had a delightful time. She received some nice presents and also a large shower of pretty post cards.

Our Sunday services were nicely attended, and the meetings very interesting and helpful. Mrs. Medders did splendid with the Epworth League service in the evening. She gave an excellent paper on the topic. Miss Hanna, of Wilmington, gave an excellent recitation that was greatly enjoyed by all present. Come again Miss Hanna. Our pastor will continue his series of sermons on "Power." The morning and the evening services will be in charge of the Epworth League. This will be the closing of the summer evening services conducted by the league. Let every one be present at both morning and evening.
