The Store that Gets The New Styles First : :

¶ When you come to Baltimore to shop—as you probably do at intervals during the year—you will naturally feel safest in the store whose stocks are are always fresh.

It is a matter of pride with us—and a matter of principle as well—not to allow old-style or shop-worn merchandise to accumulate.

¶ Periodically, we hold special sales in which this merchandise is disposed of at ridiculously low prices. We would rather give it away than permit it to remain in stock.

As a result, whatever is shown to you as new at Hochschild, Kohn & Co.'s is new.

¶ The woman that does not keep in touch with the styles can buy here with perfect safety—and our peo- will be glad to give helpful advice and assistance to any one who is in doubt as to what to choose.

GOD SPEED YOU, SOLDIER BOY.

By Charles A. Snyder.

The nation to arms has called you,
Bravely, Boy, you have answered the call.
And no matter whate'er may befal you,
We're with you a hundred million all.

God speed you, Soldier Boy; keep you day by day,
And bring you back to us unarmed
At the closing of the fray.
Mothers, dads and sweethearts true, the friends you've left behind
Are praying that you, on the battle-ground,
Might hear this pray of cheer.
May God Speed you, Soldier Boy, to all of us most dear.

So let's pray that 'twill all soon be ended
And back home once again you'll return
With Old Glory and Victory blended
To your loved ones who night and day will yearn.

NAVY ENLISTMENTS.

Navy recruiting has shown a substantial increase in the Maryland district during the past ten days.

As had been anticipated, the big concert rally at the Fifth Regiment Armory in Baltimore by the Navy Band of the Great Lakes Training Station, under the leadership of John Philip Sousa, stimulated enlistments, the effect of the rally being shown throughout the entire State.

Lieut. Commonder John Grady, Recruiting Inspector of the Eastern Division, and Lieut. M. A. Leahy, officer-in-charge of the Maryland district are both very well pleased with the increase. They are hopeful that the good showing will be maintained until the full complement of the Navy has been attained.

Applicants from the various counties of the State can expedite their enlistments by taking with them to the recruiting station in Baltimore a certificate of the date of their birth, signed either by their father or mother, or by the clergyman officiating at their baptism. It is absolutely necessary that all applicants prove the date of their birth.

Full particulars of Navy enlistments can be obtained from the nearest posmaster; directly from the Navy Recrulting Station, Calvert and Lexington streets, Baltimore, or from the Navy Recruiting Sub-stations at Cumberland and Hagerstown.

CHESTERTOWN Evidence For Chestertown People.

The Statement of Chestertown Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is real proof.

Public statements of Chestertown people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubt.

Here's a Chestertown statement.

And it's for Chestertown people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

Enoch Latham, shoemaker, High street, says: "Whenever I caught could, it seemed to settle on my kidneys, and I suffered untold pain. When I straightened up it seemed as though I were stabbed. My kidneys acted too frequently and I had to get up several times at night to pass the kidney secretions. I had dizzy spells and on different occasions my eyes gave me trouble and I could see a sort of mist before them. I surely went through quite a bit before I learned of Doan's Kidney Pills and began using them. I got Doan's from M. A. Toulson's Drug Store, and they gave me fine relief."

Price 60c. at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. Latham had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

THE REASONS WHY

You Should Have a

PIPELESS CALORIC FURNACE

IN YOUR HOME

Health, Comfort and Convenience.

1—The Caloric conserves health by keeping an even temperature of circulated, moist, warm air throughout the house.

2—Heats from one to eighteen rooms with only one register.

3—Requires only a minimum amount of space. No pipes to obstruct the cellar.

4—Keeps the dust and dirt of fuel and ashes out of the house.

5—Does not heat the cellar, thereby permitting the storage of perishable products in the basement.

6—Maintains the proper fire with very little attention. All drafts regulated from floor above.

ECONOMY.

7—Reduces coal bills. No heat is lost through radiation in the basement and walls. Every pound of fuel consumed delivers a maximum amount of heat directly to the rooms.

8—Can be installed in old buildings without the necessity of costly remodeling. Can be placed in new buildings with less trouble and expense than any other type of furnace manufactured.

9—Its low cost places it within the reach of thousands of home owners who have previously been forced to rely upon inadequate stove heating.

GUARANTEE

10—The Caloric Patented Pipeless Furnace is manufactured and guaranteed by The Monitor Stove and Range Company, an organization which has been making and selling heating appliances for 98 years. The Monitor Ironclad written guarantee, that is given with every Caloric Pipeless Furnace, insures satisfaction to the purchaser.
