EXTRACTING TEETH WITHOUT PAI

Dr. Frederic Jocobson says 75% of women need Phosphates to give them Strong Healthy, rounded figure and to avoid Nervous Break down. ho usands of women grown strong in Nature's way.

"Consider the ilies of the Field, How They Grow."

The lifeof the lily is but a few weeks or months. The life of man is "three score years and ten." But to live one's life in its fuliness, women like the lily, must be nourished by those same vital elements which nature provides for nourishing every living thing; and these include the valuable phosphate so often lacking in the usual food we eat today. Argo-Phosphate is rich in these wonderful elements. It contains them in concentrated tablet form which is easy to take and quickly assimulated and absorbed into the system,and from youth to old age, builds and rebuilds body and brain in beautiful harmony with Nature's perfect plan. "That's why." Argo-Phosphate makes good solid flesh and muscles.

SPECIAL NOTICE: Argo-Phosphate contains the natural phosphates which thousands of physicians are prescribing daily to build up thin,pale, colorless women to give them rosy cheeks, red lips, and a beautiful complexion. Many cases have been reported where women have increased their weight from 15 to 25 pounds with a few weeks treatment, and any woman who desires a well rounded and developed form, should secure from her druggist, this new drug which is inexpensive and is dispensed by any reliable druggis. with or without a doctor's prescription. If your druggist will not supply you, send $1.00 to the Argo Laboratories, 10 Forsyth St., Atlanta, Ga., and they will send you a two weeks' treatment by return mail.
