We are glad to state that Mr. George Bacon, the popular janitor of the High School, is able to resume his duties after his illness of several weeks. At the beginning of the school year Mr. Bacon picked up a little volunteer tomato plant and put it in a flower pot in the auditorium of the High School. On Monday he plucked from it two ripe tomatoes. The one brought to this office was firm, round and of a beautiful color. It was presented to Prof. Creasy, who expected to enjoy it for dinner. Next fall, perhaps, the windows which are now adorned with flowers, will be producing crops of tomatoes. The fruit matured in about eight weeks.

Mr. Cyrus Howard, temporarily engaged at Delaware city, was home on Saturday and Sunday.

Mr. Fred. T. Robinson has secured a position at Delaware City.

Mrs. J. D. Bacchus was a guest of her son in New York last week.

J. Newell Graham, Esq., of the Baltimore Bar, was in town last week.

Mrs. Jessie Blakeney is home after visiting in Baltimore.

Mr. Arthur Bacon was in Baltimore on business this week.

Miss Estelle Anthony, the efficient teacher of Union School for several years, has resigned.

Mrs. C. J. Hatcherson had a fall last week that considerably bruised her.

Mr. and Mrs. James B. Newnam entertained their son, Mr. Wm. Newnam, of Chester, for the week-end.

After a several months' visit to the homes of her sons in Philadelphia, Mrs. S. A. Ivens is home again.

Lieut. Hurst Beauchamp again visited his parents, Dr. and Mrs. T. F. Beauchamp during the week-end.

The "Sun" of Sunday last contained an excellent picture of Mr. Norman Hirons, son of Mr. and Mrs. John W. Hirons, who recently went to France with Uncle Sam's troops.

Mr. William Gladusky, of near Edesville, visited relatives in Brooklyn, N. Y., last week.

Mr. John E. Barnes, who for many years has been with the "Kent News," has resigned and will in the near future enter the real estate business with Mr. J. Waters Russell. Mr. Barnes is an efficient printer in every way and will, without doubt, make a success in his new line of work. We wish him success.

THE REASONS WHY

You Should Have a

PIPELESS CALORIC FURNACE

IN YOUR HOME

Health, Comfort and Convenience.

1—The Caloric conserves health by keeping an even temperature of circulated, moist, warm air throughout the house.

2—Heats from one to eighteen rooms with only one register.

3—Requires only a minimum amount of space. No pipes to obstruct the cellar.

4—Keeps the dust and dirt of fuel and ashes out of the house.

5—Does not heat the cellar, thereby permitting the storage of perishable products in the basement.

6—Maintains the proper fire with very little attention. All drafts regulated from floor above.

ECONOMY.

7—Reduces coal bills. No heat is lost through radiation in the basement and walls. Every pound of fuel consumed delivers a maximum amount of heat directly to the rooms.

8—Can be installed in old buildings without the necessity of costly remodeling. Can be placed in new buildings with less trouble and expense than any other type of furnace manufactured.

9—Its low cost places it within the reach of thousands of home owners who have previously been forced to rely upon inadequate stove heating.

GUARANTEE

10—The Caloric Patented Pipeless Furnace is manufactured and guaranteed by The Monitor Stove and Range Company, an organization which has been making and selling heating appliances for 98 years. The Monitor Ironclad written guarantee, that is given with every Caloric Pipeless Furnace, insures satisfaction to the purchaser.
