NOTICE

The Dining Room or Restaurant of the Eastern Shore Inn will be discontinued from January 1st to about April 1st, 1918.

We will, however, have some nice heated rooms for rent for balance of the winter. These rooms are very desirable, having all modern conveniences.

Very truly yours,
THE EASTERN SHORE INN.

BONES AND BAGS.

On account of the war many of our supplies of Bones have been cut off, and in order to get all the nice dry country bones possible, we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory.

The country boys should pick up all they can and bring them to us instead of selling them to the junk dealers.

We will also pay the highest market price for good second hand Fertilizer Bags. Please communicate with us.

Very truly yours,
The Peerless Fertilizer Co.,
CHESTERTOWN, MD.

COUNTY COMMISSIONERS NOTICE

The County Commissioners hereby give notice that the next meeting of the board will be held on Thursday, Jan. 3, 1918. This action is taken because Christmas day and New Year's day fall on Tuesday's, the regular day for board meetings. By order,
SAMUEL HICKS,
Clerk to County Commissioners.

DELCO-LIGHT

is the name of the compact electric light plant for farms and country homes. Delco-Light was developed by the same organization that has made "Delco" starting and lighting for automobiles the standard of the world.

Delco-Light will furnish an abundance of electricity for lights and light power on a farm at a cost of only a few cents a day. A Delco-Light representative will gladly give you a demonstration any time at your home.
