GERMANS OF KENT M... REGISTER AT POSTOFFICES

We have received the following from Mr. Sherlock Swann, Chief Registrar of Non-Urban Areas of Maryland:

All natives, citizens, denizens or subjects of the German Empire or of the Imperial German Government, being males of the age of 14 years and upward who are within the United States and not actually naturalized as American citizens, are required to register as alien enemies at the Post Office from which they receive mail, between the dates of Feb. 4 and 9, 1918, both dates inclusive, between the hours of 6 a. m. and 8 p. m. This registration at Post Offices applies to nonurban districts only and does not apply to Baltimore City, Annapolis, Cambridge, Cumberland, Frederick, Frostburg, Hagerstown, and Salisbury, where other places of registration are named by the respective Chief Registrars for those cities.

Persons required to register should understand that in so doing they are giving proof of their peaceful dispositions and of their intention to conform to the laws of the United States.

Each registrant is required to furnish four unmounted photographs of himself, not larger than 3 by 3 inches in size, on thin paper, with light background. All four photographs should be signed by the registrant across the face of the photographs, so as not to obscure the features, if the applicant is able to write.

Three blank forms of registration affidavit must be completely filled out by the registrant or his representative and must be produced by the registrant personally to the registration officer (the local postmaster) and be signed and sworn to by the registrant in the presence of and before the said registration officer.

The registration is hereby informed that he must again present himself before the registration officer who took his oath after 10 days but before 15 days from the last day fixed for registration in his registration district to obtain a registration card.

An alien enemy required to register who shall, after the date fixed for the issuance to him of a registration card, be found within the limits of the United States, its territories or possessions, without having his registration card on his person, is liable to all the penalties prescribed by law.

All German alien enemies who are required to register will be assisted and advised, in every proper way, in filling out their registration affidavits.

No fees will be charge nor gratuities accepted from registrants by registration officers for administering oaths or for any other reason.

BREAD THAT SAVES WHEAT

The following receipts have been prepared and sent out by the government:

Corn Meal Quick Bread

1½ cups corn meal
4 teaspoons baking powder
1 teaspoon salt
1 tablespoon flour
2 cups milk
*1 egg
1 tablespoon melted fat
*Omitted if desired.

Mix and sift the dry ingredients. Combine the milk, beaten egg and melted fat, and add to the dry ingredients. Mix well, pour into greased muffin tins and bake in a hot oven about 20 minutes. This bread should be served hot.

If a sifter bread is desired the cornmeal, salt and milk may be brought to a boil and cooked for 10 minutes in a double boiler or over hot water. Cool, add the beaten egg, melted fat and baking powder. The flour is not necessary. Beat well and bake in a hot oven. This same mixture may be baked as gridle cakes.

Peanut Bread

1 cup lukewarm liquid
1 teaspoon salt
3 cups flour (more if needed)
1 or 2 tablespoons syrup
⅛ to ¼ cake yeast softened
¼ cup lukewarm water
1 cup peanut meal* or flour

*Peanut meal may be prepared by shelling roasted peanuts, removing red skin and crushing the nuts with a rolling pin.

Long Process

Make a sponge of ½ cup of lukewarm liquid, 1 teaspoon salt, ⅛ cake yeast softened in ¼ cup lukewarm water and 1½ cups flour. Beat well, cover and set where it will be between 60 and 70 degrees F. When this sponge is light add the rest of the liquid, the syrup, the peanut meal and the remainder of the flour. Knead until smooth and elastic adding more flour if necessary to secure the proper consistency. Cover and let rise until double in bulk. Shape into a loaf, cover and let rise until 2½ times the original bulk. Bake 50 or 60 minutes in a moderately hot oven, 400 degrees F.

Short Process

Dissolve the salt and syrup in the cup of lukewarm liquid. Add to it the softened yeast and add all to the mixture of flour and peanut meal. Knead until smooth and elastic. From this point follow the directions as given for the long process.

TEN REASONS W...

You Should Have a ...

PIPELESS CALORIC FURNACE

IN YOUR HOME

Health, Comfort and Convenience.

1—The Caloric conserves health by keeping an even temperature of circulated, moist, warm air throughout the house.

2—Heats from one to eighteen rooms with only one register.

3—Requires only a minimum amount of space. No pipes to obstruct the cellar.

4—Keeps the dust and dirt of fuel and ashes out of the house.

5—Does not heat the cellar, thereby permitting the storage of perishable products in the basement.

6—Maintains the proper fire with very little attention. All drafts regulated from floor above.

ECONOMY.

7—Reduces coal bills. No heat is lost through radiation in the basement and walls. Every pound of fuel consumed delivers a maximum amount of heat directly to the rooms.

8—Can be installed in old buildings without the necessity of costly remodeling. Can be placed in new buildings with less trouble and expense than any other type of furnace manufactured.

9—Its low cost places it within the reach of thousands of home owners who have previously been forced to rely upon inadequate stove heating.

GUARANTEE

10—The Caloric Patented Pipeless Furnace is manufactured and guaranteed by The Monitor Stove and Range Company, an organization which has been making and selling heating appliances for 98 years. The Monitor Ironclad written guarantee, that is given with every Caloric Pipeless Furnace, insures satisfaction to the purchaser.
