TO THE

Citizens of Talbot County.

I HAVE already, in a personal address to some of you, avowed my intention of being a Candidate for the suffrages of the people at the next election of Delegates to the state Legislature. This design, my fellow-citizens, originated in the suggestion of a few partial friends: and I can declare with sincerity that I have been solely determined in the pursuit of it by the assurance of approbation and support, which I have since received from a considerable number of the most respectable citizens in different parts of the county. In the professions of these men, I think, I cannot be deceived; and I do therefore, with the greater confidence solicit the suffrages of my fellow-citizens at large.

Presenting myself thus to you as a *Candidate*, I submit to your consideration, as well the *political principles*, which I am known to hold, as my general character and conduct; and I leave you to determine the justice of my pretensions to your favour.

DAVID KERR, JUNR.

Easton, august 26, 1806. 6

TO THE

Voters of Caroline County

GENTLEMEN,

HAVING some time since informed you of my intention of becoming a candidate for your suffrages at the ensuing Sheriff's election, since which time my indisposition has been such as to induce me to decline running; as the fatigues of that office, should I have been the *fortunate* one, are such, that in my present situation, could not be able to perform. But as there are more officers to be elected at the same time, and thinking I might be of more general utility to my county and state, I take this method of offering myself as a candidate to represent you in the next General Assembly of Maryland. Should you think me worthy of a trust of such consequence, nothing on my part shall be wanting for the promotion of your interest, and that of the state in general.

The public's most obedient,
And very humble servant,
PHILIP RICHALDSON.

SHERIFFALTY.

THE subscriber respectfully reminds the independent voters of Talbot county, of his former solicitation for the *SHERIFF'S OFFICE* of said county at the ensuing election. He continues his desire to serve them—should they honor him with their suffrages, every exertion in his power shall be put in motion to give general satisfaction.

With sentiments of due respect,
The public's obedient servant,
SAMUEL THOMAS.

Easton-Point, June 3, 1806. tf

To the Voters of Talbot County.

HAVING been informed that a report is in circulation that I have declined offering myself as a Candidate for the Sheriff's Office at the ensuing Election, it becomes necessary that I should thus publicly inform you that (in case such a report does exist) it is *FALSE*; and that I am still a candidate for that office, and most respectfully solicit your suffrage; and should the result of the election point me out as worthy of your choice, the most prompt attention, influenced by the purest motives, shall always accompany my best endeavors to give general satisfaction in the discharge of the important duties of said office.

ROBERT DODSON.

June 17, 1806. 16w

To the Independent Voters of Talbot County.

GENTLEMEN,

HAVING been solicited by a number of my friends to stand a candidate for the SHERIFF'S OFFICE the ensuing election, I take this method to inform you that I shall comply with their request, if life and health permits; and should have made it known before, had not a bad state of health prevented me. There is one thing I wish the public to be acquainted with, that is, I shall flatter no man for his vote, with the great deal that I will do for him—I will promise this, to perform the duties, and that with lenity, so as not to injure myself; and those that wants an officer that will not do his duty, will please to leave my name out of their ticket.

I am the public's humble servant,
WILLIAM MARSH CATRUP.
