EASTON ACADEMY.

THE Trustees of this Institution being of opinion that the appointment of a Principal, with power and authority to teach, direct, and superintend the various branches of Education proposed to be taught in the Seminary, will best promote its interests and prosperity, have accordingly engaged the Revd. *Archibald Walker*, in that character. He has on his part engaged to provide and employ such and so many Teachers and Assistants for the instruction of the Scholars in the Classical and Mathematical Departments, as shall be necessary for their education therein, and to direct and superintend their instruction in all the branches attached to those departments.

The trustees therefore announce to the public, that the schools will be opened at Easton, on the first Monday of September next; and they give special notice to the parents and guardians of boys in this and the neighbouring counties, that scholars will be admitted in both departments; and, in the one, will be carried through a course of education in the Latin and Greek languages; and, in the other, will be taught the English Grammar, Arithmetic, History, Geography, and all the branches of Mathematics.

The experience and success of Mr. Walker as an instructor of youth for many years, and his high reputation as a professor well qualified to teach his scholars in the branches of both departments, enable the trustees to recommend the institution under their care, to the serious attention of those who are solicitous for the useful education of their children; and all such may be assured that, besides the dependence they may place upon the steady care of Mr. Walker to the instruction of his scholars in science, manners and morals, they may likewise rely upon the anxiety of the trustees to have the schools so managed, visited, and superintended, as to promote the advantage of the pupils, and establish the character of the institution.

The prices of tuition are $20 in the Classical, and $16 in the Mathematical Department: and convenient board for the scholars may be obtained in the town upon reasonable terms.

By order of the Trustees,

P. BENSON, Pres'dt.

Attest—NS. HAMMOND, Sec'ry.
