BASE BALL NOTES.

BENJ. A. JOHNSON, Manager.

GREAT VICTORY FOR W. C.

In a game full of dash and excitement, Western Maryland College was defeated here Saturday by Washington College, 2 to 1. The contest was wholly a pitcher's battle between Twigg for Western Maryland and Jarman for Washington, with the odds in favor of Jarman. Jarman played a star game and proved that he is a pitcher of rare ability.

The hitting was light on both sides, the fielding sharp and for the most part clean. The errors on each side did not count for runs. The victory came as a surprise to Western Maryland, owing to the fine showing the team has made this year. The home nine seemed to find itself Saturday. The season opened badly for the locals, the University of Maryland cancelling its game and Hopkins being postponed on account of rain.

Every man was in the game, everybody getting a chance to distinguish himself. Perhaps the bright star in the infield for Washington was Kelley at second and at the bat Captain Porter. Meekins gobbled up everything that came his way and Garrett, in center field, captured some difficult flies.

Western Maryland at times showed weakness in the field, but Twigg generally delivered the goods when men were on bases. Perhaps the visitors' most fatal error occurred when Beale dropped the ball on a squeeze play that failed to connect and Porter scored the first run of the game.

Two or three bunts in succession by Washington in the early part of the game seemed to rattle the visitors and after that it was hard for them to settle down. There was a large attendance at the game, visitors coming from nearby towns.

The opponents of Washington to-day will be the Baltimore Polytechnic Institute. Everybody go out and see Washington win another great game at 3.00 P. M.

LAST SATURDAY'S GAMES.

Chestertown High was defeated last Saturday by Millington, on the latter's grounds, 8 to 7. The game was close and exciting throughout and was marked by a few brilliant plays, although it was next to impossible to pick up a hard struck ball in the diamond. Chestertown failed to score in the first session, but Millington scored one run on a base on balls, an error and a hit. The next scoring was done in the fourth inning, and again it was Millington who did the "stunt," rallying once more on a hit and some loose fielding. But in the fifth inning the Smythites hit the ball for five safe hits crossing the five-cornered piece of rubber four times. The High Schoolers scored again in the seventh; Millington tallied twice in their half of the same session. The score was then 5 to 4 in favor of the Smythites, and this should have been the final score had not a bad throw let in a run with two out and two strikes on the batter. In the tenth the local boys scored twice, but these two runs were not enough to clinch the game, for Millington hit the pill for three runs in her half of the tenth session.

Gibbs, who was in the middle of the diamond, pitched good ball, but near the last of the game showed signs of giving out. Ahern for Millington, played good ball.

Church Hill defeated Double Creek last Saturday at Double Creek. Score 17 to 12.

Destructive Fire at North East

A destructive fire occurred at North East, Cecil county early Monday morning entailing a loss of from $30,000 to $35,000. The Methodist Episcopal Church erected at a cost of $23,000 in 1902, the parsonage with its contents, including the clothing and fine library of Rev. J. P. Otis, the pastor, and his family were destroyed, with only partial insurance on the church and parsonage amounting to about $10,000, and a dwelling and store property were also burned. North East is without fire protection and the fire was fought and finally controlled by a
