LAND FOR SALE.

THE subscriber offers at private sale, his FARM adjoining the Trappe, in Talbot county, containing by estimation 130 acres. It is presumed a description is not necessary, as those who are disposed to purchase will first view the premises. For terms, application may be made to William Jenkins, at the Trappe, or to the subscriber in Baltimore. Should the above farm not be sold by the first day of November next, it will on that day be offered at public sale, on the premises. Attendance given by

FARMERS ATTEND!

I will sell that Valuable ESTATE Bloomingdale, *my former residence, on the eastern shore of this state:*

LYING in Queen Ann's county, on the head waters of Wye river, and two miles from Queen's Town, on Chester river, from whence a regular packet makes a trip weekly to and from Baltimore, a distance of 38 to 40 miles, in 4 and 5 hours. This estate contains by estimation 1229 acres, two thirds of which is cleared and divided into six large fields and four lots, with springs of never-failing water in each field, the residue in wood and timber of excellent quality. There is 150 acres now in clover, and two fields will be nicely prepared to be laid down in wheat this fall—my usual crops of which are from 2500 to 2800 bushels, besides corn, oats, &c. a large orchard of choice northern grafted fruit, in the 4th and 5th year of bearing, and every improvement requisite for a genteel family.

The buildings on this estate has cost me upwards of $14,000, and I will dispose of it on short payments, at $20 per acre, or upon an accommodating credit at five guineas, with 20 valuable negroes, 10 of them young, hearty negro men, together with the stock of mules, horses, &c. Those who are disposed to make a speculation in the cheapest land that has ever been offered for sale on that shore for forty years past, are now invited to take a complete and thorough view of this property, which will be shewn them at any time by my son, residing thereon.

FOR SALE.

A Healthy Negro Man,

ABOUT twenty-four years of age; he has been accustomed to farming work, and going by water; he is also a good rough Carpenter——ALSO—*A Likely Negro Woman*, about twenty years of age, who has been used to cooking and house work generally. Enquire of the Editor.——Oct. 2, 1810—m

WOOL-CARDING MACHINES.

THE subscriber respectfully informs the public in general, that the Machines at Mr. *Edward Price's Mills*, near the Wye Mills, in Talbot county, and the *Unicorn Mills*, one mile from the Head of Chester, will in future card and roll WOOL for kersey at 6 cents per lb. Kersey wool of different colors, to be mixed, will be 8 cents. Wool for fulled or fine cloth (as usual) eight cents. Customers may depend on having their wool carded to their satisfaction.

Wheat, rye, oats, wool, tow cloth and linen, will be received in payment. Cash paid for wool at the machines.

RICHARD GIBBS.

N. B. Customers living near or below Easton, can send their wool to *Joshua Taggart's*, Easton, from thence it can be brought and returned to Mr. Taggart's in the rolls, without any expence to customers. Persons living at a distance from the Machines, would do well to join and send their wool, say, three, four or five hundred weight, which could be sent in a one horse cart bound on with cords, attended by one person, which would be but a trifling expence to each one—Wool might be sent 30 or 40 miles with very little expence.

EASTON ACADEMY.

THE Trustees of this Institution being of opinion that the appointment of a Principal, with power and authority to teach, direct, and superintend the various branches of Education proposed to be taught in the Seminary, will best promote its interest, and prosperity, have accordingly engaged the Revd. *Archibald Walker*, in that character. He has on his part engaged to provide and employ such and so many Teachers and Assistants for the instruction of the Scholars in the Classical and Mathematical Departments, as shall be necessary for their education therein, and to direct and superintend their instruction in all the branches attached to those departments.

The trustees therefore announce to the public, that the schools will be opened at Easton, on the first Monday of September next; and they give special notice to the parents and guardians of boys in this and the neighbouring counties, that scholars will be admitted in both departments; and, in the one, will be carried through a course of education in the Latin and Greek languages; and, in the other, will be taught the English Grammar, Arithmetic, History, Geography, and all the branches of Mathematics.

The experience and success of Mr. Walker as an instructor of youth for many years, and his high reputation as a professor well qualified to each his scholars in the branches of both departments, enable the trustees to recommend the institution under their care, to the serious attention of those who are solicitous for the useful education of their children; and all such may be assured that, besides the dependence they may place upon the steady care of Mr. Walker, to the instruction of his scholars in science, manners and morals, they may likewise rely upon the anxiety of the trustees to have the schools so managed, visited, and superintended, as to promote the advantage of the pupils, and establish the character of the institution.

The prices of tuition are $20 in the Classical, and $15 in the Mathematical Department: and convenient board for the scholars may be obtained in the town upon reasonable terms.

By order of the Trustees,

P. BENSON, Pres'dt.

Attest—Ns. HAMMOND, Sec'ry.

FEMALE EDUCATION.

THE subscribers, considering *Female Education* of the *first* importance, have since the first of April endeavoured to establish a *Female School* in this place, upon a basis which might, under every circumstance, ensure its permanency. The seminary commenced under the management of Mr. Andrews some time last year, and though they have always entertained the highest opinion of his capacity for that purpose, yet they had little reason to expect that his superintendance of the school would be of long continuance; nevertheless they were well assured he would not abruptly withdraw himself without procuring a successor of equal talents or qualifications.

They therefore beg leave to inform the parents and guardians of the young ladies of Easton particularly, together with Talbot and the neighboring counties, that with all the solicitude of parents, they have taken upon themselves the character of trustees for the purpose of superintending the school at Easton, established for the exclusive benefit of Female Education, and give every assurance to the public, that the school shall be provided with good Globes and Maps, and that every useful branch of Female Education shall be taught under the personal care of Mr. Lester Kimberly, of Yale College in Connecticut, the immediate successor of Mr. Andrews.

The terms of tuition will be as heretofore, at $20 per annum, paid quarterly, with the necessary charge for firewood and school-house rent.

Application may be made to Mr. Kimberly, at his school room, directly opposite the Bank, in one of Doctor Martin's houses, or at his lodgings at Mrs. Bell's, on Washington street, a little below Dover street, or to the subscribers.

NOTICE

TO CLERKS AND SHERIFFS.

THE Treasurer of the Eastern Shore being desirous of carrying into effect the act passed at the last session of the Legislature, for the more speedy recovery of the public monies, takes this method of calling the attention of the several Clerks and Sheriffs of the Eastern Shore, to the payment of their respective accounts as they fall due, which will be on the 1st day of November next.—The duties enjoined by the above mentioned act, upon the Treasurer, being very express, leaves him no discretionary power to grant indulgencies, he therefore hopes that all concerned will be punctual in their payments, that the disagreeable consequences of putting their bonds in suit may be avoided. The subscriber will attend at his office in Centreville, the firt ten days in November, that gentlemen having public business to transact with him may not be disappointed, after which time his duties will call him to Annapolis for some days.
