ENTRANCE EXAMINATIONS

STATE SCHOLARSHIPS IN ENGINEERING COURSES

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in the Civil Engineering Building, Homewood, Monday-Saturday, June 21-26, 1920, beginning at 9 a. m. each day, under the auspices of the College Entrance Examination Board.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 17, 1920, begining at 9 a. m. Appointments will be made soon thereafter.

Each Legislative District of Baltimore City and each County of the State, with the exception of Cecil, Harford, Queen Anne's, Talbot and Worcester Counties, will be entitled to one or more scholarships for the year 1920-1921, in addition to those which have already been assigned. In the five counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the Department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holders to free tuition, free use of text books, and exemption from all regular fees. One of the scholarships in each County and in each Legislative District of the City carries also the sum of $200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.

Scholarships may be awarded to graduates of Loyola College, St. John's College, Washington College, Western Maryland College, Maryland Agricultural College, Mt. St. Mary's College, Rock Hill College.

One scholarship will be awarded "At Large."

Applicants should address The Registrar, The Johns Hopkins University, for blank forms of application and for catalogues giving information as to examinations, award of scholarships, and courses of instruction. The next session begins Tuesday, September 28, 1920.

NEW PHONE PRESIDENT BELIEVES IN STRAIGHT TALK POLICY

A. E. BERRY, PRESIDENT OF THE C. AND P. TELEPHONE CO.

Starting his working career on a dredging boat in the Potomac River and being elected President of the Chesapeake and Potomac Telephone Company at just about forty years of age, A. E. Berry is making friends in Maryland because of his policy of plain dealing with the public.

"There is nothing about our business we want to hide," said Mr. Berry to newspaper men in his office recently. "On the other hand I would like to get all Maryland asking questions about the telephone business."

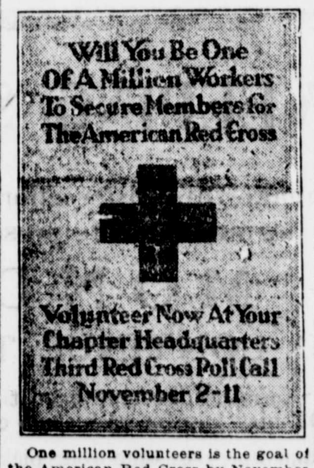
Mr. Berry's policy of absolute frankness with the Public Utilities Commission of the District of Columbia resulted in the quickest rate-case hearing on record and a favorable decision on the company's application to increase the rates to parallel those requested in Baltimore.

BALTIMORE BOY GETS BIG BALTIMORE TELEPHONE JOB

LEO D. MAHON, TELEPHONE MANAGER OF BALTIMORE.

True to its policy of making acceptable local appointments to its important managerial posts, the Chesapeake and Potomac Telephone Company, has appointed Leo D. Mahon its District Manager in Baltimore. Mr. Mahon was born in Baltimore in 1889 and has grown up in the telephone industry. His first job after leaving school was peddling combs in the streets of Baltimore. Because of his grasp of the telephone business he was sent to the National Capital temporarily during the war and helped carry the enormous load on the telephone company during that period. His official duties in Baltimore commence June 1.

PLEDGE YOURSELF NOW



One million volunteers is the goal of the American Red Cross by November 2. This number, more than ten times that called for by President Lincoln in the Civil War, will be required to enroll the millions of members of the greatest humane organization in the world in the forthcoming drive. The peace time program of the American Red Cross is based on combatting a more disastrous annual menace, as far as loss of life is involved, than the late war, namely the scourge of disease. Enlist now in the nation's greatest army at your local Red Cross Headquarters.
