Still we GROW, and there is reason for our steady increase in business. The fact that we have not only held our business but more than doubled it with all competition, indicates that the PUBLIC MIND has not lost sight of the essential requirements that make a bank SOUND and SAFE. The principles of conservative banking that have governed our development in the past will shape our future policy. CONSERVATIVE but PROGRESSIVE.

Your Business Solicited.

THOMPSON, THE SHOE MAN!

TO THE PEOPLE OF KNOWLEDGE!

To get the best results in Shoes, you have got to buy from a shoe store and not a dry goods or grocery store. It is better to buy from a man that has been in the leather business for 20 years than to buy from a notion store that has had no experience in Shoes, only what the jobber tells him. That's the reason why the people are buying so many shoddy Shoes and pay good prices and getting no results in Shoes.

My Shoes are picked out pair by pair, therefore, I can guarantee every pair I sell. If not satisfactory, a new pair or money refunded.

Sale Lasts on Shoes Until July 31st, 1911.
