EASTON ACADEMY.

THE Trustees of this Institution being of opinion that the appointment of a Principal, with power and authority to teach, direct, and superintend the various branches of Education proposed to be taught in the Seminary, will best promote its interest and prosperity, have accordingly engaged the Revd. *Archibald Walker*, in that character. He has on his part engaged to provide and employ such and so many Teachers and Assistants for the instruction of the Scholars in the Classical and Mathematical Departments, as shall be necessary for their education therein, and to direct and superintend their instruction in all the branches attached to those departments.

The trustees therefore announce to the public, that the schools will be opened at Easton, on the first Monday of September next; and they give special notice to the parents and guardians of boys in this and the neighbouring counties, that scholars will be admitted in both departments; and, in the one, will be carried through a course of education in the Latin and Greek languages; and, in the other, will be taught the English Grammar, Arithmetic, History, Geography, and all the branches of Mathematics.

The experience and success of Mr. Walker as an instructor of youth for many years, and his high reputation as a professor well qualified o each his scholars in the branches of both departments, enable the trustees to recommend the institution under their care, to the serious attention of those who are solicitous for the useful education of their children; and all such may be assured that, besides the dependence they may place upon the steady care of Mr. Walker to the instruction of his scholars in science, manners and morals, they may likewise rely upon the anxiety of the trustees to have the schools so managed, visited, and superintended, as to promote the advantage of the pupils, and establish the character of the institution.

The prices of tuition are $20 in the Classical, and $16 in the Mathematical Department: and convenient board for the scholars may be obtained in the town upon reasonable terms.

By order of the Trustees,

P. BENSON, Pres'dt.

Attest—NS. HAMMOND, Sec'ry.

BY HIS EXCELLENCY

EDWARD LLOYD, ESQUIRE,

GOVERNOR OF MARYLAND.

A PROCLAMATION.

WHEREAS the General Assembly of Maryland, did, by an act passed at November session, eighteen hundred and five, entitled, An act to reduce into one the several acts of assembly respecting elections, direct that the governor and council after having received the return of elections of the members to represent this state in the Congress of the United States, should enumerate and ascertain the number of votes given for each and every person voted for as a member to Congress aforesaid respectively, and shall thereupon declare, by proclamation, signed by the governor, the name of the person or persons duly elected in each respective district: We, in pursuance of the direction of the said act, do by this our proclamation declare, that by the return made to us, it appears that Philip Stuart, esquire, was elected for the first district; Joseph Kent, esquire, was elected for the second district; Philip Barton Key, esquire, was elected for the third district; Samuel Ringgold, esquire, was elected for the fourth district; Alexander M'Kim and Peter Little, esquires, were elected for the fifth district; John Montgomery, esquire, was elected for the sixth district; John Brown, of Nathan, esquire, was elected for the seventh district; and Charles Goldsborough, esquire, was elected for the eighth district.

Given in council, at the city of Annapolis, under the great seal of the state of Maryland, this fifteenth day of October, in the year of our Lord one thousand eight hundred and ten, and of the independence of the United States of America the thirty-fifth

EDWARD LLOYD.

By His Excellency's command,

NINIAN PINKNEY,
Clerk of the Council.

ORDERED, That the foregoing proclamation be published three times in each week, for the space of three weeks successively, in the Maryland Gazette and Maryland Republican at Annapolis, the Whig, Evening Post, and Federal Gazette, at Baltimore, the National Intelligencer, and the Star at Easton.

FEMALE EDUCATION.

THE subscribers, considering *Female Education* of the *first* importance, have since the first of April endeavoured to establish a *Female School* in this place, upon a basis which might, under every circumstance, ensure its permanency. The seminary commenced under the management of Mr. Andrews some time last year, and though they have always entertained the highest opinion of his capacity for that purpose, yet they had little reason to expect that his superintendance of the school would be of long continuance; nevertheless they were well assured he would not abruptly withdraw himself without procuring a successor of equal talents or qualifications.

They therefore beg leave to inform the parents and guardians of the young ladies of Easton particularly, together with Talbot and the neighboring counties, that with all the solicitude of parents, they have taken upon themselves the character of trustees for the purpose of superintending the school at Easton, established for the exclusive benefit of Female Education, and give every assurance to the public, that the school shall be provided with good Globes and Maps, and that every useful branch of Female Education shall be taught under the personal care of Mr. Lester Kimberly, of Yale College in Connecticut, the immediate successor of Mr. Andrews.

The terms of tuition will be as heretofore, at $20 per annum, paid quarterly, with the necessary charge for firewood and school house rent.

Application may be made to Mr. Kimberly, at his school room, directly opposite the Bank, in one of Doctor Martin's houses, or at his lodgings at Mrs. Bell's, on Washington street, a little below Dover street, or to the subscribers.
