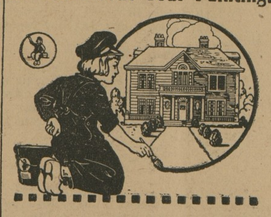
NOW IS THE TIME

To See About Your Painting.



We have on hand, and are sole agents for a new brand of Paint for outbuildings, brickwork, concrete, etc. Also for wall plaster and interior decorations which we can furnish at a small cost. One coat of this Paint will cover and look as well as two coats of high-priced paint on new or old buildings or scraped whitewashed buildings. This Paint has been tested and will last as long as oil paint, is also weatherproof, fireproof, sanitary; is used extensively inside of hen houses, stables, dairys, etc., as it destroys all germs, it dries hard and will not rub off. This is not the so called water paint, but is noted for wear and durability. Can furnish this paint in 21 different shades. It is easy to apply and anyone with little experience can use it. Before whitewashing this spring, consider this matter and send for sample cards and prices, and cut out that horrible job of yearly whitewashing, which will add wonderfully to the appearance of your home by using these Paints. Price 70 cents per gallon at Lynch's.

I give my personal attention to every detail of every painting job. A large part of my success is due to the fact that we use only the best material, Lewis white lead, (Dutch Boy painter, trade mark) and absolutely pure Linseed Oil, our other materials are of equally high value. Always ready to show sample cards and quote prices. Let me estimate on your painting.
