PROCLAMATION

Proposing Amendments to the Constitution of the State, 1920.

Whereas, at the January Session of the General Assembly of Maryland, held in the year 1920, two Acts were passed, to-wit: Chapter 319 proposing an amendment to Section 15 of Article III of the Constitution of the State, title "Legislative Department," regulating the compensation of Members of both Houses of the General Assembly; and Chapter 565 proposing an amendment to Section 37 of Article 4 of the Constitution of the State, title "Judiciary Department," regulating the pay of Clerks of Courts, and which said Chapters 319 and 565 are in the words and figures following:

CHAPTER 319.

AN ACT to propose an amendment to Section 15 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland, and to provide for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all the members of each of the two Houses concurring), That the following be and the same is hereby proposed as an amendment to Section 15 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 15 of Article III, of the Constitution of the State of Maryland.

15. The General Assembly may continue its session so long as in its judgment the public interest may require for a period not longer than ninety days; and each member thereof shall receive a compensation of three hundred dollars per annum and five dollars per diem for every day he shall attend the session, but not for such days as he may be absent, unless absent on account of sickness or by leave of the House of which he is a member and he shall also receive such mileage as may be allowed by law, not exceeding twenty cents per mile; and the presiding officer of each House shall receive an additional compensation of five dollars per diem. When the General Assembly shall be convened by proclamation of the Governor, the session shall not continue longer than tetirty days, and in such case the compensation shall be the same as herein prescribed.

Section 2. And be it further enacted by the authority aforesaid. That said aforegoing section hereby proposed as an amendment to the Constitution of the State of Maryland shall, at the next general election for Members of Congress held in this State, be submitted to the legal and qualified voters of the State, for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of the State of Maryland, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteen Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved April 9, 1920.

CHAPTER 565.

AN ACT to amend Section 37 of Article 4, title "Judiciary Department," of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all members of each of the two houses concurring), That the following section be, and the same is, hereby proposed as an amendment to Section 37, of Article 4, title "Judiciary Department," of the Constitution of this State, and if adopted by the legal qualified voters thereof, as herein provided, said section shall supersede and stand in the place and instead of Section 37 of said Article 4 of the Constitution of Maryland.

Sec. 27. There shall be a Clerk of each of the said Courts of Baltimore City, except the Supreme Bench, who shall be elected by the legal and qualified voters of said city at the election to be held in said city on the Tuesday next after the first Monday of November, in the year eighteen hundred and sixty-seven, and shall hold his office for six years from the time of his election, and until his successor is elected and qualified, and be reeligible thereto, subject to be removed for willful neglect of duty or other misdemeanor in office, on conviction in a Court of Law. The salary of each of the said Clerks shall be forty-five hundred dollars a year, payable only out of the fees and receipts collected by the Clerks of said city, and they shall be entitled to no other perquisites or compensation. In case of a vacancy in the office of Clerk of any of said Courts, the Judges of said Supreme Bench of Baltimore City shall have power to fill such vacancy until the general election of Delegates to the General Assembly to be held next thereafter, when a Clerk of said Court shall be elected to serve for six years thereafter; and the provisions of this Article in relation to the appointment of Deputies by the Clerks of the Circuit Courts in the counties shall apply to the Clerks of the Courts in Baltimore City.

Sec. 2. And be it further enacted by the Authority aforesaid, That the said foregoing section hereby proposed as an amendment to the Constitution shall, at the next election for members of Congress to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and twenty (1920), be submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the direction contained in Article 14 of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For Constitutional Amendment" and "Against Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article 14 of the said Constitution.

League and Chicago to win in the American League.

Chestertown Loses For Gordy—Although Gordy outpitched the veteran Sam Frock, of the Baltimore Dry Docks, on Friday afternoon, Chestertown lost to that team in one of the greatest, closest and most interesting games ever staged here, the score being 2 to 1. Chestertown hit the ball harder than did the Dry Docks, but they failed at times when victory looked to be ours. Gordy pitched one of the greatest games of his career, against the best team he ever faced, and upheld his reputation made this season. He was in several bad holes, but at times when the Dry Docks threatened to score, he interposed himself a sturdy barrier against them. He struck out seven men to Frock's four; he held the Dry Docks to seven hits (two of which were of a fluky variety), while Chestertown made eight. He passed three while Frock passed none. The crowd was the largest that ever witnessed a game here, over 1200 entering the grounds, while $1042.25 was taken in at the entrance. This was divided on a fifty-fifty basis. Chestertown scored first in the third inning on a two-base hit by Walls, a sacrifice hit by Gordy and a sacrifice hit by Bounds. The score stood 1 to 0 in our favor until the sixth, when, with two out, L. Russell beat out a slow, puzzling grounder to Kibler, who slipped on the edge of the grass just as he was in the act of throwing the ball to Usilton. Several hard hits followed, and the visitors pushed 2 runs across the plate before they were retired. Chestertown threatened to scored in the last inning. Kibler, the first man up, placed a beautiful single in right field, which threatened to jump into the bleachers. Derrick hit a hard liner to Hunter which looked good for two bases, but it was caught and Kibler was held on first. Baker then came up, and, although he had failed to connect thus far in the game safely, he was expected to slam the ball this time. He failed miserably, however, and a foul fly was the best he could do. Kibler took advantage of this, however, and went to second. Our catcher, Davis, then came to bat. Davis has won several games by opportune hitting and he did not fail us this time for he singled sharply to Hunter in right field. At the crack of the bat, Kibler dashed from second for home like a race horse, but Hunter made a perfect peg to Russell and Kibler realized that he was trapped. But Kibler had won many a game when in a like fix and did not slacken his speed as he dashed for the plate. Russell, with ball clasped firmly in hand stood ready for the runner, when like a flash, the elusive Kibler fell forward in a beautiful fadaway slide, seeking to hook the edge of the plate as he whirled by. It was a valiant and a plucky attempt, but Kibler, although he was missed as he lunged for the plate, was touched before he could reach it, and the game was over. The fielding of Usilton and Bounds and the batting of Kibler and Usilton were the outstanding features of the game. The score:

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since . . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too.
