NOTICE TO TOBACCO GROWERS.

The Maryland Tobacco Growers Association desires to make known to its members, and others interested, that over fifty per cent of the tobacco grown in the five Southern Maryland counties for the year has been pledged to the Association under contract, and that the contract is, therefore, binding upon each and every grower signing same.

The Board of Directors also wish to announce that arrangements are being perfected for the opening of the sales rooms in Baltimore on or about January 1st. The sales rooms and general headquarters of the Association will be in the State tobacco warehouse, the arrangement being authorized by the State Board of Agriculture.

Detailed announcement will be made later giving names of management, salesmen, etc. Membership cards and duplicate copy of contract will also be sent out just as soon as possible after headquarters are established in Baltimore.
