STATE CENTRAL COMMITTEE.

MRS. FRANCE NAMED A VICE CHAIRMAN.

Chairman Galen L. Tait of the Republican State Central Committee, has appointed Mrs. Evelyn S. France, wife of Senator Joseph Irwin France, to be woman vice chairman of the Republican State Central Committee, and Mrs. Bertha Hitshew Morton, of Smithburg, Md., as vice secretary of the committee.

The appointment of Mrs. France is a distinct recognition by Chairman Tait, who has long been seeking the active co-operation of women in politics, that the women are to play a most important part in the present campaign. Mrs. France possesses unusual qualifications for this most responsible work of securing the active participation by the women of Maryland in the political life of the state and nation. She has long been a leader in the educational, business and social activities of the state. She is a woman of affairs, and her activities along many lines have brought her a large acquaintanceship and a wide circle of friends. She has been a most important factor in the educational life of the state, for as president of the board of trustees of the Jacob Tome Institute, a position which she held at the foundation of that school, she was the leader in planning and inaugurating one of the first and most notable model community schools in the country. Mrs. France has also been active in the business and financial life of the state, having been at one time the president of two national banks, which she successfully managed, a distinction which has come to few women in the United States. Because of her activities and interests in educational work, in business, and in public affairs, Mrs. France naturally became an advocate of women taking an active part in the solving of public questions. She is versatile, adaptable, friendly and popular with all classes of people, and her friendships are not confined to any clique or class.

Mrs. Morton is a native of Washington county, and has been prominent as a teacher in high schools and colleges. Her interest in woman's suffrage prompted her to attend the suffrage school conducted by the Just Government League in Baltimore in 1916. In 1917 she was appointed a state suffrage organizer by Mrs. Arthur Livermore, of New York, and placed in charge of Onandago county with headquarters at Syracuse. By her courage and zeal she captured the county for suffrage by a substantial majority.

Mrs. Morton has spent several months in the West, where she attended the National Republican Convention at Chicago and the Mational Democratic Convention at San Francisco. She recently said: "I have taken the Republican platform for my own because it stands for the highest ideals for womanhood in America—home, country and morality. It is the only political platform that has a child-labor plank, and it stands for American institutions against foreign intrigue. By so doing it is enabled to best serve suffering humanity of the whole world."

The woman's division of the Republican State Central Committee has established headquarters at 1519 Fidelity Building.

In Memoriam.

In sad but loving remembrance of my dear brother, RICHLEY, who departed this life five months ago, May 28, 1920.

Oh! how hard we tried to save him,
Prayers and tears were all in vain;
Happy Angels came and took him.
From this world of toils and pain.

Rest in peace, dear brother,
Five months have passed away;
You are gone but not forgotten,
For we think of you each day.
—By his sister and brother
Marie and Otto.

The Difference

between an ordinary investment and money deposited at interest with us is marked.

If deposited here the principal is always safe—never depreciating and always increasing if interest is allowed to accumulate, for interest is credited semi-annually, and it immediately begins to earn interest at 4 per cent.
