WANTS A FLOUR MILLER

I have recently bought and come in possession of the so-called Trinks Flour Mill, located on Still Pond Creek. Am having same repaired, remodeled and enlarged and new machinery installed and the dam repaired and will be ready in a few days to operate the mill. And I take this occasion to notify the public and respectfully solicit their business and I shall use my best efforts to satisfy all reasonable demands and at all times to give my customers a square deal.

I also advertise for an experienced miller to run the mill—either to rent, run it on shares or try it first on monthly or daily wages.

All applicants call at the mill.

The Typhoid Fever Question

The following letter was received by Dr. E. J. Clarke, Supt. of Schools of this county, last week:

Baltimore, Md., Aug. 30, 1920

Dr. Edward J. Clarke, Supt. Board of Education, Chestertown, Md.

Dear Doctor—The investigation of the rather recent outbreak of typhoid in Chestertown does not show that this epidemic had its origin in the Elementary School. We believe it to be due to some outside influence as yet undetermined. Very truly yours,

R. H. RILEY,
Chief Bureau Communicable Diseases.

When you deposit your money in the National Life Insurance Co. of Vermont you have the satisfaction of knowing that you are connected with one of the best managed financial institutions in the United States. The company is purely mutual. The dividends were increased in 1916 and since that time have continued without change, regardless of the influenza and the war.

It would be to your advantage to know more about this grand old company.

Ford
THE UNIVERSAL CAR

GENUINE FORD SERVICE—AND PARTS

INSIST on genuine Ford parts for your Ford car. Mail order houses, stores and many garages sell imitation—counterfeit parts which have not the quality of the genuine Ford parts, but the Authorized Ford Dealers as well as the Authorized Sales and Service Dealers sell only the genuine Ford-made Ford parts. You are safe with them, while your car is mightily unsafe if repaired with imitation parts. The real Ford parts are made from the same properly heat-treated steel as their counter-parts in the Ford car. Every part is heat-treated according to its use. Depending upon the service they perform, Ford parts are tempered to insure the longest life. Tested after almost every operation while being manufactured, these parts present a vast difference from those not manufactured under Ford supervision. Counterfeit parts range from thirty to seventy-five per cent below the quality of the Ford standard. Don't take chances; demand Ford parts, they're safer. Bring your Ford to us and thus make "assurance double sure." If you want a Ford car, truck or Fordson tractor, leave your order without delay, as now we can make fairly prompt delivery—Touring Cars, Coupes, Sedans, Runabouts, Trucks and Fordson Tractors. Why not drop in and talk over your wants?
