Miss Harriet Knight, Shopper, Says Her Work Is Interesting

For instance, last spring she sent hard candy and chocolates to China to some little American boys and girls—the family of an American Steamship Company agent.

She selects clothing, shoes and undergarments for an American Army Captain's family now stationed in the Philippines. And when she makes her selections for the Philippines, she has to remember that any other sort than canvas shoes will mould—on account of the climate. The clothing must be of cotton, too, for the same reason, as well as because it is cool to wear.

Then there are the Maryland friends of Hochschild, Kohn & Co., who have moved to other sections of the country. Miss Knight says she receives shopping requests from Portland, Oregon, from Seattle, Washington, from army posts in New Mexico and Texas, and from winter resorts in Florida and California.

Miss Knight cordially invites you to make use of her personal shopping service—she will shop with you or for you, as you wish.

CHAUTAUQUA A GREAT SUCCESS

Chestertown Will Have The Entertainments Again Next Year

This week has been Chautauqua week in Chestertown and big crowds have attended every performance, notwithstanding the extreme heat of the first few days of the performances last week and the first of the present week. The largest crowds were present on Tuesday night, to hear "The Bohemian Girl" rendered and on Wednesday night, which was the concluding performance, and was said to have been the most enjoyable of the week. During the rendition of the "Bohemian Girl" a teriffic downpour of rain interrupted the performance and quite a number of people were somewhat inconvenienced by the rain which beat through the top of the tent. After the rain, however, the performance was concluded.

A tremendous crowd was on hand Wednesday afternoon at the Junior play, which was easily one of the best ever given by the children of Chestertown and was a credit to the children and to their teachers.

At the evening session Wednesday Senator Wm. F. Russell presented the Chautauqua Superintendent with a contract for next year, signed by one hundred guarantors, which assures us having the entertainments again next year.
