OCTOBER 15, 1938.

Governor Nice, according to reports in the press, is reported as threatening prosecution of residents of North Beach whom he terms summer boarders, and will have the State police on hand to spot all who are using District of Columbia autotags. Were I not for the reiterations of such threats, it would be impossible to believe that the Governor of the State, who is a lawyer and should know that all persons whose names are on the qualified list of voters, are entitled to vote; that the time and place to purge the list of all unqualified voters is before the registration officers—bi-partisan boards.

The Governor should also know that any action on his part, or the part of any police official, tending to intimidate regularly registered voters is a violation of the law which he is sworn to uphold, and that any official or any one who attempts to harass or intimidate a voter is liable to arrest and punishment.

As to whether the North Beach voters are merely summer boarders and not legal residents, is a question the bi-partisan board determined at the time they were so registered. If now not qualified, the law provides the means for making the correction, a means open to any citizen.

It is true that a majority of the citizens and voters at North and Chesapeake Beach came to the county from other parts. Many of them hold positions under the government. They have bought or built their homes here and occupy them, claiming their residence here. This they have the legal right to do, and there is no law to rob them of all the rights their residence gives them. There is no law that requires a continuous residence to enable a citizen to qualify as a voter. If the North and Chesapeake Beach residents, having declared intention, regard it as their legal residence, it legally becomes so.

Order of Publication.

The Commissioners of Chesapeake Beach, a body politic and corporate,
vs.
Anton T. Contella
In the Circuit Court for Calvert County
Petitions No. 922.

UPON the foregoing petition it is this 29th day of September, 1938, ordered by the Circuit Court for Calvert county that summons be issued for the defendant named in said petition commanding him to answer the petition of the Commissioners of Chesapeake Beach within ten days after his appearance, or after the return day to which he is summoned, whichever may sooner occur and show cause why the easements described in said petition or such defendant's interest therein should not be condemned as prayed in said petition and that a copy of the petition and of this order be served on the defendant, and it is further ordered that the petitioner give notice to Anton T. Contella, the non-resident defendant, by causing a copy of this order to be published once week for three successive weeks in a newspaper published in Calvert county requiring such defendant to appear in this Court on or before the 2nd day of November, 1938, and show cause why a perpetual easement to construct, reconstruct, and maintain a treated timber bulkhead, earth backfill and such appurtenances and facilities as may be necessary or desirable in connection therewith along or adjacent to the waterfront of the Chesapeake Bay in front of Blocks 11 and 12 of Bay Crest as per plat thereof recorded among the Land Records of Calvert county in Liber A. A. H. No 14, folio 201, and a like easement to construct, maintain and use over a space ten feet lying contiguous to and parallel with the east side of said bulkhead and between the same and the present fast land a walkway for use by pedestrian traffic to be constructed of gravel, cinders, boards, stone, concrete or similar material, it being the intention of the petitioners that the defendants shall have and retain, subject only to the easement hereinabove expressly provided for, the title to all land made or formed in front of the said land of the defendant by reason of said improvement or otherwise and that his riparian rights shall remain unimpaired by this condemnation, except as they may be affected by the construction of said bulkhead, should not be condemned as prayed in the petition filed in this case, the first insertion of a copy of this order to be not less than thirty days nor more than forty days before the said 2nd day of November, 1938; and it is further ordered that the Sheriff shall set up a copy of the summons in this case upon the property described in the Petition filed in this causes
