Frank B. Smith was awakened early Wednesday morning last by smoke in his residence on the Dare's road, about two mile from Prince Frederick, and found his kitchen on fire. Fortunately, having a supply of water handy, it was soon extinguished, and very little damage was done. As no fire had been in that part of the building, and the fact that the fire originated in the basement, are indications that the origin was incendiary.

Painful Accident.

Mr William A. Parran was painfully injured on Tuesday afternoon about 5 o'clock in a fall of twelve feet at his home in Prince Frederick. While at work on the roof of a woodhouse, the top rung broke from the ladder he was descending, and he fell to the ground, his head striking a rock. He was alone at the time, but a colored hired man who was working near by, later hearing heavy breathing investigated, and found Mr. Parran unconscious on the ground. He was taken into the residence by the man, and a physician summoned. It was found that miraculously he had escaped any fractures, dislocations or other serious injuries, but received a number of severe bruises. He remained in a state of unconsciousness for quite a while, and not unless his family here a clear account of the way in which the accident occurred. He has been confined in bed since, and in much discomfort at times. His many friends sympathize with him, and hope his condition will speedily improve.

Newly Elected Officers Qualify.

The following newly elected county officials qualified last week, and have entered upon their duties:

Arthur A. Hawkins, who begins a sixth term as Clerk of the Circuit Court; Evelyn Cox Young, who succeeds John Hall as Register of Wills; Alvin W. Cosby, who succeeds Maurice M. Duckler as Sheriff; Alvin T. Buckler, Robert E. Scott and J. Albert Gore, land as judges of the Orphans Court, Mr Buckler being re-elected chief judge.

The newly elected County Commissioners, Archie Parran, Thomas C. Scrivener and William P. Norfolk, also qualified and organized by electing Mr. Parran as president and J. Briscoe Bunting as counsel. The appointment of clerk, for which there were a number of applicants, was deferred until the past Tuesday, when Herbert Smith was appointed to the office.

State's Attorney Arthur W. Dowell took out his commission, but his term of office does not begin until the end of the calendar year.

Samuel C. Cox, elected as County Treasurer, will not enter upon the duties of his office until June 1st, 1939.

Home for the Holidays.

At home from school for the Christmas holidays: From Western Maryland College, Elsie Williams, Elsie Mae Bowen, Annette Hutchins, Mary Louise Asbury, Thelma Bowen, Eileen Trott, Shelton Bowen; University of Maryland, College Park, Mirl m Hutchins, Gertrude Plummer, A. Claude Turner, Jr.; Princeton, Frank Gray; Johns Hopkins University, Philip Briscoe, John B. Gray III, Peat Asbury; University of Maryland medical school, Thomas F. Lusby; St. Mary's Seminary, Sam Gray; Georgia Tech, Waters Ross; Virginia Military Institute, T. Gordon Bennett, Jr.; Annapolis High School, Mary Lancaster Parran; State Teachers College, Katherine Pardoe, Katherine Malhado, Elizabeth Weems; Dickinson College, Y. D. Hance.

School Entertainment.

The entertainment given on Saturday evening last at the Prince Frederick Elementary school by the pupils of the school, was on an elaborate scale, and the program was splendidly carried out. All seven grades were represented and apparently there were many more than a hundred pupils in the cast. For this reason it is impossible for lack of space to publish their names, or give individual praise where due. It is sufficient to say that there was uniform excellence, and a most intelligence response to the coaching of Mrs. John B. Gray, Jr. The scenic effects were cleverly done, and the bewildering number of lovely costumes was eloquent proof of long hours of work by a large staff of workers. Mrs. Robert A. Harkness, at the piano, was the accompanist. The value of dramatics in schools is a title underestimated, and the faculty of the Prince Frederick School is to be congratulated on the success of this entertainment. A large crowd was in attendance.

Game Reported Plentiful.

Hunting as well as game are plentiful this year in Calvert county. Arthur A. Harkness, clerk of the Circuit Court, reports that hunting licenses issued to date outnumbered those of any year since enactment of the State game laws.

More than 1 100 hunters have obtained licenses to run down abundant game, particularly quail and squirrels. Thomas I. Weems, district deputy game warden, said there were more wild ducks in the Patuxent river and the bay than for many years. Squirrels usually are plentiful because of a closed season except for two weeks from October 1 to 15. Some hunters have suggested a longer open season, contending large numbers of squirrels were a menace for farm crops, including corn.

Game wardens said rabbits were not so numerous as other game because of the hunting proclivities of dogs and cats during the summer months.

Death of Miss Mary Weisman.

Miss Mary Weisman died on Wednesday afternoon last at the home of her niece, Mrs. Ashby Cranford, near Parran. She had been an invalid for several years past. Miss Weisman was aged 84 years, and was a daughter of the late John Weisman, of this county. She is survived by a number of nieces and nephews and great nieces and great nephews.

The funeral was held yesterday (Friday) morning at 10.30 o'clock at St. Vianney's Catholic Church, Prince Frederick. Burial was in Holy Cross Cemetery, Baltimore.
