That Familiar Feeling

A Safe and Profitable Investment

In making investments great care should be exercised to see that they are safe and profitable.

The stock of the American Telephone and Telegraph Company offers an opportunity for such an investment.

It is a safe investment because it is a nation-wide industry, economically managed, and its financial policy is sound. Each share has back of it a property value of more than $185—almost twice its par value, $100.

It is a profitable investment because the stock can be purchased on the market for about $119 the share and pays $9 each year in dividends. The dividends are paid quarterly.

We are interested in having you become a shareholder because you will make a safe and profitable investment and take a greater interest in our problems and assist us in giving the public better telephone service.

Further information will be furnished upon request.

WOMEN'S CLUBS

Despite Wintry Weather, Have Been Doing Good Work

The eight Women's Clubs of Kent County have been busy in spite of wintry weather. These clubs are carrying on Home Demonstration Work in cooperation with the County Home Demonstration Agent and the Maryland Extension Service.

A special series of meetings for the month of January, dealing with the arrangement of the kitchen to save time and energy, has started a new line of thought for a great many women. Mrs. Marion C. Bell was the leader for this series of meetings and the club women asked for more of Mrs. Bell's work in Home Management.

A demonstration that has been giving much interest is that of hat making, which included a demonstration in flower making. This demonstration was given by Miss Hill and Miss Bertha Knight. On account of stormy weather many women were kept at home. Miss Hill will repeat the demonstration where it was impossible to hold meetings on account of roads.

In addition to the special meetings, a number of clubs are holding meetings at regular intervals, providing programs by means of a program committee. Other clubs are working in groups on dress forms.

A number of dress form demonstrations have been given by Miss Hill and still continue to be popular.

The month of March will be devoted to Short Cuts in Sewing, House Furnishings and Millinery. Miss Hill will be the leader for these meetings.

The dates for the March meetings will be as follows:

March 14, 2 p. m., Still Pond, Grange Hall.

March 15, 2.30 p. m., Kennedyville, Grange Hall.

March 16, 3 p. m., Quaker Neck School (roads permitting).
