Kelly Herd Leads

(Continued From Page 1)

nis McGrady & Son stood fifth with Beatrice, registered Jersey producing 63.5 pounds of butterfat and 1350 pounds of milk. Guy McGrady ranked seventh with Olive, registered Jersey producing 58.0 pounds of butterfat and 1035 pounds of milk.

Highest Production Month

"Princess," pure bred Jersey owned by Deakin & Coleman ranked ninth with 57.3 pounds of butterfat and 1365 pounds of milk. C. A. Hutchens, tenth with "Rogue," registered Holstein producing 56.7 pounds of butterfat and 1350 pounds of milk. The month of June marked the highest monthly average for the Cecil County Dairy Herd Improvement Association that has been made during the past year or more, the month's average production for 650 cows being 27.20 pounds of butterfat and 607.0 pounds of milk. Twenty-four cows were disposed of for various reasons during the month, mostly due to low production, this being the main reason for the increase in average production throughout the association.
