

Wms

December 15th 1931.

Leslie P. Hill,  
Cheyney,  
Pennsylvania.

Dear Sir -

I received your telegram of December 12th with regard to the recent lynching in Maryland, and am writing to express my appreciation.

The State officials, under my directions, are doing everything that can be done to apprehend the perpetrators. The Attorney General of the State is in Salisbury today.

Very truly yours,

R-W

GOVERNOR.
