"Angel Island" At Maryland Next Week

George Abbott bows in his new season at the Maryland Theatre, Baltimore, Maryland, on next Monday, October the 11th, with "Angel Island," which is described in the advance reports as a mystery play with an equal portion of fun and thrills. Bernie Angus is the author and this is her first attempt at the play.

The cast embraces many of the former luminaries of "Three Men on a Horse," "Boy Meets Girl," "Brother Rat," and "Room Service." The topnotchers of the Abbott Acting Company are in the lineup.

The membership of "Angel Island" includes Joyce Arling, Clayton Collyer, Lea Penman, Betty Field, Carroll Ashburn, Maidel Turner, Arline Francis, Eric Wollencott, Louise Larrabe, Edith Van Cleve, Nigel Blake, Doro Merande, David Hoffman, Tom Graham, Clyde Fillmore, Morgan Conway and Alma Dickson.

Joyce Arling was the original Susie in "Boy Meets Girl," Betty Field was last seen in Baltimore in "Room Service" and Carroll Ashburn and David Hoffman were among the memorable cast in the original company of "Brother Rat," first seen here at the Maryland.

Mr. Abbott is directing the play and John Root designed the three settings, laid in an old house on an island of the Carolina coast.

There will be matinees on Wednesday and Saturday.

She is a graduate of Wellesley College and has received honorary doctorates from Wellesley College, Women's College, University of Delaware, University of Groningon, Holland, and Oxford University, England. Founder's Day exercises will be concluded with a dance at Old College.

Plans are being completed for the dedication of the new $400,000 Chemistry building at the University of Delaware on Saturday, October 16. This building is a gift from a friend of the institution. In connection with the dedication, a conference on chemical engineering which will bring to the university some noted engineers is being arranged for Friday and Saturday, October 15 and 16.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)
