WASHINGTON LOSES TO MT. ST. JOSEPHS

In a miserable game of baseball the local collegians went down to defeat at the hands of Mt. St. Joseph College team of Irvington, Saturday on Washington Field, by the score of 15 to 13. A drizzling rain began in the second stanza and continued during the remaining five innings. In the first inning the locals scored 6 runs on loose fielding and timely hitting, two more in the second, four in the fifth, and one in the sixth. In the unlucky fifth, when the Irvington boys scored twelve tallies, Biddle was knocked from the box and Lewis, who relieved him, managed to retire the side, but in the following inning he was relieved by Bowen. Kelley was the star clouter for Washington getting two three baggers out of three trips to the pan. W. Boyle's hitting featured for the visitors.

Pomona Items.

The Hon. Wm. H. Berry, of Chester, Pa., ex-State Treasurer and late Keystone party candidate for Governor was the guest of Rev. Mr. and Mrs. Wm. M. McCann, Pomona, last week. Mr. Berry and Rev. McCann were coworkers in the Sunday school for several years. Besides being a fine platform speaker, Mr. Berry is an accomplished pulpit orator, and Rev. McCann hopes to have him preach at Pomona in the near future. Mr. Berry is also an expert engineer, being president of the Berry Engineering Co., of Chester, Pa., and the inventor of the Berry safety boiler. Mr. Berry is also a writer of note, his latest work being: "Our Economic Troubles and the Way Out." He is one of the delegates to the Baltimore convention and his voice will be heard on important questions at that time. He was very much pleased with his trip and with the Eastern Shore. He left here for Georgetown, Del., where he spoke on Saturday evening.

Pomona Public School closed on Friday with a very pleasing entertainment. Refreshments were served at the close of the exercises.

Prospects are bright for a big crop of wheat in this section, Mr. Thos. Starr having a field that is hard to beat.

Mrs. Thos. Starr was a visitor to Washington, D. C., on Friday last. She went to visit her sister.

Thomas Toulson had one of his valuable horses cut with a barbed wire fence last week. Under his skillful treatment it is now recovering.

The editor of this paper said in Saturday's issue that the other fellow may have his cabbage but give him flowers. Evidently he has had flowers served up in a new way that we know not of, or he has not seen any of the extra large heads of tender cabbage that are grown in our town. Of course if he prefers flowers to cabbage there is no use of trying to pay a year's subscription in cabbage.

Mr. Hines Elwards and Miss Fannie Edwards, of Baltimore, spent Sunday with their parents, Mr. and Mrs. W. T. Edwards.

Miss Julia Anthony a nurse in the Mercy Hospital, Baltimore, spent a week at home visiting her parents, Mr. and Mrs. C. W. Anthony.

Mr. W. C. Townsend, the enterprising merchant of Pomona, is having plans drawn for the enlargement of his store property, his business having grown to such an extent, he is crowded for room.

Smallest Baby in America.— A baby was born near Port Deposit that weighs but 30 ounces, is just under the one-foot mark in length, has the cutest little head—not so large as a base ball, but perfectly formed—and with the tinest eyes. Dr. Benson as an experiment took a ring from his little finger and slipped it up the baby's arm. She has no clothes small enough, so the doctors wrapped her in a little wad of cotton and are feeding her with a medicine dropper. The doctors hope to save her. The baby has an appetite.

Road Examiners' Notice.

The public is hereby notified that the Examiners appointed by the Board of County Commissioners to examine and condemn a road for public use through the lands of Wm. J. Coleman, commencing at the road leading from Betterton to Barnard's and running through to the bay shore at a point known as the branch, will meet on the spot on Monday, June 24th, at 10 o'clock A. M., to examine said road. All persons interested are requested to meet said examiners on the premises on the above date.

All life is a "whiz"—and every third whiz on the road is a Ford. It's the car of the millions and the millionaire—lightest, rightest, most econmical. Many thousands of the seventy-five thousand we're building this year are being sold to owners of more expensive cars.

All Fords are Model T's—all alike except the bodies. The two passenger runabout costs $590—the five passenger touring car $690—the delivery car $700—the town car $900—f. o. b.
