"Have a Camel"

No other cigarette ever made..and kept..so many friends as Camels

CAMELS began to make warm friendships their very first day on the market. And they've been busy making friends ever since!

Only a cigarette of choicest quality could make a record like Camels. Quality made Camels the world's largest selling cigarette. And quality has kept them far in the lead. Their friends have increased by millions.

Finest Turkish and Domestic tobaccos — cured and mellowed by men long experienced in the art. But it's Camels' exclusive blend that brings out the real fragrant goodness of fine tobaccos. And no tiring of your appetite however liberally you smoke. And never any cigaretty after-taste!

Just every good feature of a good cigarette. "Have a Camel!" is the most welcome smoke invitation ever spoken.
