Spanish American War Veteran Wins 15-Year Fight

Baltimore business man conquered illness. Gained 7 lbs. Thanks Tanlac

A chronic invalid for 15 years. A dogged fight to win lost health. Rugged, robust health at last. That is the truly wonderful record of Geo. E. Lohman, 3121 Dillon St., who served with the Maryland troops in the Spanish-American War.

"For 15 years," he said, "I suffered acutely from chronic indigestion. Gas, stomach pains, dizzy spells and general lassitude and weakness made life a dreary drudge. I lost weight gradually and the distressing symptoms grew worse with time. Stiffness in arms and legs and a sword-like pain in the small of my back made me almost yell with pain at times.

"Soon after starting on Tanlac I felt a different man. My appetite came back and I actually enjoyed my food. It agreed with me, too, so that I could eat anything I cared for, without fear of distress afterwards. I gained 7 lbs. in a short time. Tanlac proved a blessing to me."

Tanlac is nature's own remedy, made from roots, barks and herbs. Your druggist has it. Get a trial bottle today. Over 52,000,000 bottles already sold.

QUIT GETTING UP NIGHTS

A Healthy Bladder Acts During the Day

C. N. Shuman, Republic, Ohio, says: "Before taking Lithiated Buchu (Keller Formula) had to get up six or seven times each night. Now I do not get up at all. You may use my name if it would benefit anyone with bladder trouble. Be careful not to take drugs that check the action of the bladder. You may have to continue its use. Lithiated Buchu (Keller Formula) increases the action during the day. It cleanses the bladder as epsom salts the bowels driving out foreign matter, neutralizing excess acids, thereby relieving the irritation which causes "Getting Up Nights." he tablets cost 2c each at all drug stores or Keller Laboratory, Mechanicsburg, Ohio.
