In every section of the country Chevrolet Truck sales are breaking all previous records—establishing Chevrolet as the world's most popular gear-shift commercial car.

This decisive preference for Chevrolet is based on a matchless combination of dependability, economy and fine appearance—plus the public's confidence in a product of General Motors.

Chevrolet dependability under every condition of usage has long been traditional; yet recent improvements in the powerful Chevrolet valve-in-head motor—improvements typified by a new AC air cleaner and AC oil filter—have made Chevrolet Trucks even more dependable, with even longer life, greater operating economy and more satisfactory performance.

With a cab inclosure that matches passenger car design in comfort and beauty—with sweeping crown fenders and bullet-type headlamps—the Chevrolet Truck is one of the handsomest haulage-units seen on the highways.

If you use trucks in your business—come in! Learn for yourself why Chevrolet performance has proved so satisfactory for every type of user—from the single truck operator to the largest fleet owner!

Pneumonia Victim Praises Tanlac

Respected Baltimore matron, mother of seven children, tells how Tanlac helped her through convalescence to perfect health.

For several months Mrs. Alice Chaillou, 938 N. Wolfe St., had suffered from kidney trouble. To complicate matters pneumonia developed, leaving her weak and rundown.

"As soon as I could get out of bed," said Mrs. Chaillou, "I decided to try Tanlac, in order to build up my lost strength. My doctor made no objection, so I continued till four bottles had been used. The results surprised and delighted me.

"Even after the first bottle I regained strength so rapidly that I could hardly believe it possible. The effects of both the pneumonia and the old kidney trouble soon began to wear off, my appetite returned and my digestion was excellent.

"I am in splendid health now, look after my family of seven children and do all my own housework without difficulty. I am very grateful to Tanlac for what it did for me and give it first credit for bringing me back to my present health."

Mrs. Chaillou is but one of many thousands helped by Tanlac. It is nature's own tonic body builder, made from roots, herbs and barks. If overwork and neglect have left their mark on your health start in on Tanlac today. Your druggist has it. Over 52,000,000 bottles sold.
