☞Between 30 and 50 per cent. of the cows in Maryland are tubercular, and much of the tuberculosis in children can be traced to that source," said Dr. Marshall L. Price, secretary of the State Board of Health, last week. He added that every tubercular cow should be killed.

GOV. WILSON ON IMMIGRATION.

Much has been said in criticism of Governor Wilson's stand on the question of immigration since his nomination. This week the Governor prepared a special statement for Mr. Gezea Kende, editor of a Hungarian paper published in New York. The statement shows Governor Wilson's position on the question to be perfectly sound, and is as follows:

"I believe in the reasonable restriction of immigration, but not in any restrictions which will exclude from the country, honest, industrious men who are seeking what America has always offered, an asylum for those who seek a free field. The whole question is a very difficult one, but I think it can be solved with justice and generosity. Anyone who has the least knowledge of Hungarian history must feel that stock to have proved itself for liberty and opportunity."

Governor Wilson promised Mr. Kende that he would take up very fully the question of immigration, either in his speech accepting the nomination or in an address to be delivered later.

BETTERTON.

Fishing for perch and rock off Howell's Point has been good during the week, and some good catches have been made. Capt. Clarence Crew had Colonel Israel and Goode Rosenfeld, of Baltimore, out on Thursday, and caught at least 30 rock of fine size. Capt. Jas. Sutton and party caught 20 rock weighing from one to five pounds in a short time the same day. Motoring, bathing, skating and dancing has been the principal diversions during the past week. Boating in motor launches has been especially delightful during the past hot weather.

Misses Clara Price and Emma Knotts, of Queen Annes, are visiting Mrs. Howard F. Owens of Cliffholme. Mrs. Geo. R. Crew, of Baltimore, is spending the summer with Mrs. Harvey Brice. Rev. and Mrs. W. H. Stone, of Port Carbon, Pa., have opened their cottage on Bayside for the summer.

Dr. H. Benge Simmon, L. Rates Russull and W. I. Walker, of Chestertown, enjoyed a day's fishing here on Thursday. Mr. and Mrs. E. S. Endorsed at Home.

Such Proof as This Should Convince Any Chestertown Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Chestertown adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Harry Hodgkin, merchant, Mill St., Chestertown, Md., says: "I had various symptoms of kidney trouble. There were pains through my loins and the kidney secretions were irregular in passage. My supply of Doan's Kidney Pills was obtained at Toulson's Drug Store and this remedy made me feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

RHEUMATISM

This nerve-racking disease is caused from impure blood and uric acid poison. External applications sometimes give temporary relief but won't cure; the sure way to secure permanent results is to thoroughly eradicate from the blood all the impurities. Nothing on earth will drive out the poisons from your system, keep the bowels, kidneys and liver in good condition as **SEVEN BARKS**, the wonderful remedy that has proved its great merits the past 42 years.

SEVEN BARKS can be had of all druggists, at 50 cents per bottle. Give it a good trial and watch your rheumatism disappear.
