DEMOCRATIC TICKET.

FOR PRESIDENT:
WOODROW WILSON,
of New Jersey.

FOR VICE-PRESIDENT:
THOMAS R. MARSALL,
of Indiana.

FOR REPRESENTATIVE IN THE SIXTY-FIRST CONGRESS FROM THE FIRST CONGRESSIONAL DISTRICT:
JAMES HARRY COVINGTON,
of Talbot County.

FOR CHIEF JUDGE OF THE SECOND JUDICIAL CIRCUIT:
ALBERT CONSTABLE,
of Cecil County.

WILL YOU CONTRIBUTE?

If any one in Chestertown desires to contribute one dollar to the campaign fund for Governor Woodrow Wilson, we shall take pleasure in receiving such subscriptions giving due credit therefore and forwarding the same to the treasurer of the National Committee. It would be a splendid idea to inaugurate such a campaign in Kent county, and the TRANSCRIPT takes the lead in this matter and will be glad to receive the subscriptions and forward them. Are there 100 men in Kent county who will give $1 apiece?

TO DATE 40 babies have been named for Governor Wilson, and the end is not yet.

WHEN Mr. James Brice was in the butchering business in this town, he bought beef on the hoof at 4½ cents a pound, sold the best cuts at 12 and 14 cents a pound, and is now one of our retired and comfortably fixed citizens. Do you know why our butchers are compelled to charge 22 and 24 cents a pound for the same cuts that Mr. Brice sold for 12 and 14 cents a pound? The farmer sells very little if any beef cattle to-day, because there is no profit in raising it. He can get no more for his beeves on the hoof to-day than he got when Mr. Brice was in business, and the cost of feed will not allow our farmers to raise cattle when he can get only 4½ cents a pound live weight. What are our butchers compelled to do? Why they are compelled to go to our cities and buy beef from the Armours, Swift & Co., etc., all of which firms form a part of the Beef Trust, which is protected by the Republican tariff. Our butchers pay to the Armours and Swifts as much wholesale as Mr. Brice sold his beef on the market here for and more, and when you add freight and hauling charges, you can see what a very small profit, if any there is, to our butchers in the sale of beef even at 22 and 24 cents a lb. for choice cuts. What is the trouble? Why exactly the same thing that we meet at every turn of the way. It is the TRUST which gets the profit, and it gets the profit simply because the government protects the trust at the expense of the people, and the government is going to protect the trusts as long as the Republican party remains in control of the government. It is time for a change and the sooner it comes the better it will be for the welfare of all the people.

WHAT IS WRONG?

Within the past week four of our business places have closed up. Several merchants have complained to us this week of the dullness of trade, and of the fact that a great deal of business is being diverted from Chestertown. What is wrong? Is it because of the absence of convenient hitching posts along our store fronts that prompts our ladies who do most of our buying from suffering the inconvenience of having to hitch their teams an inconvenient distance from the stores, and then lug their produce in baskets to the stores, or is it because the country and city merchants are offering more inducements to ladies than our town merchants are offering? In other words, is it because of the absence of the necessary push and enterprise on the part of our business people generally? 'Tis true that July and August are usually dull months with our merchants, being between seasons, but several of our merchants have said to us recently that fewer people are coming to Chestertown to deal now than usual. There is something radically wrong when trade conditions are as they seem to be now. If it is because of the absence of the hitching posts, an investigation should be made. If it is from any cause which may be remedied, it should be speedily done in the interest of our merchants. Just cast your eye around through the "new fire district" and see the vacant lot, the vacant store rooms and office rooms, the vacant room on Stam's Corner, and four of our business places closed up, and you will see the force of this article. Something is wrong. What is the trouble?

PEOPLE'S COLUMN.

Perhaps everybody will notice the Kent News, which would not in 1903 publish letters showing how the Republicans squandered the people's money, is now publishing Urie's letters attacking the Democratic Board of County Commissioners. Without saying one word more, all that anyone needs to do is to point out to the people that the Kent News is preparing to go in with Urie if the Progressives beat the Reactionary Democrats in the next primary, and the News will help to elect Urie's ticket in 1913 precisely as it did in 1895. Of this there cannot be any possible doubt in the mind of any intelligent or fair-minded man.

CAMPAIGNS 1895-1912.

Chestertown Md., July 29th, 1912.

DEAR SIRS: We in the Fifth District want to know why Mr. Charles Frank Wheatley should not run for County Commissioner next year. Mr. Wheately has many friends down here and what is the reason the TRANSCRIPT cannot "get together" with all of us and support him? Certain circumstances which surrounded his candidacy last time were unfavorable but now, that Mr. Wood is going to leave the district, why not make Mr. Wheatley our united nominee for County Commissioner for this district?

OYSTERMAN'S FRIEND.

PRESIDENT TAFT was notified of his nomination for President in Washington on Thursday. That's as much as he will get.

GOV. WILSON'S speech of acceptance will no doubt have plenty of salt in it. It has been written on the briny sea, and it will add considerable flavor to a successful campaign.

WE HAVE received several contributions for the Wilson campaign fund. One gentleman sent us five dollars. Won't you contribute $1? These dollar contribution campaigns are being waged all over the country, and they are the things which count. Send the TRANSCRIPT your $1 and we will forward it to Hon. Herman Riden, Democratic National Treasurer. Kent countians should not hesitate to get into this campaign.

Our Advertisers.
