WHEN it comes to best sellers, Camel leads them all, because by the greatest number of smokers it is considered the best cigarette.

The closer the search for quality, the greater the preference for Camels. For Camel, made of the choicest Turkish and Domestic tobaccos, is supremely blended to a mellowness, mildness and individuality of taste that is beyond matching or imitation.

If you don't yet know its satisfying smoothness, just try this overwhelming favorite among cigarettes.

Keep Fit!

Good Health Requires Good Elimination

TO be well, you must keep the blood stream free from impurities. If the kidneys lag, allowing body poisons to accumulate, a toxic condition is created. One is apt to feel dull, languid, tired and achy. A nagging backache is sometimes a symptom, with drowsy headaches and dizzy spells. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. If you have reason to suspect improper kidney function-ing, try *Doan's Pills*—a tested stimulant diuretic. Users praise them throughout the United States. *Ask your neighbor!*

Do you know that when you borrow $1000.00 you get a draft for $1000.00?

Do you know that every time you pay your interest you cut down the principal mortage indebtedness?
