Branchville Md. Dec. 14, 1931.

Hon. Albert C. Ritchie,

Dear Sir;

I feel much provoked by the barbarous lynching by the citizens of Salisbury Md., on Dec. 4, '31, and I am writing to urge you to use all possible means to bring the guilty persons to trial and conviction. Non enforcement of law will invite a recurrence of crime and the downfall of our government.

Respectfully,
Edward L. Carter,
P.O. Box 83.
