5c BUYS A REALLY GOOD CIGAR

You say it can't be done? Man, read this!

The five-cent cigar purchaser is as much entitled to enjoyment out of his smoking as the man who pays more. Here's the cigar that'll give it to him: *Havana Ribbon*. Don't say it's "just another five-center." *Try* it. Then let your judgment rule.

Havana Ribbon is as different from ordinary 5c cigars as green or over-ripe bananas are different from ripe ones. And for the same reason: *Havana Ribbon* contains no "green" *under*-ripe tobacco; nor *over*-ripe. No bitterness; no flatness. You get a smoke that's marvelously fragrant, cool, mild, mellow—fine-tasting. . . . Because it's *ripe tobacco*—every bit. And long-filler too! No "scraps" or "cuttings."

Havana Ribbon has been going great guns for thirty years. Millions being smoked! It's the "nickler" of the century, and 5c will prove to you that this is no idle dream. Sold everywhere. Also *Practical Pocket Packages* of five cigars.
