May 5, 1876

To My Friends and Patrons.

I AM desirous of enlarging and improving my business, and also am owing some bills of already too long standing, which I want to pay, as it is exceedingly unpleasant to be dunned, and consequently I need every dollar due me. This notice, therefore, is to urge prompt payment upon the part of those indebted. If it is not convenient for you to let me have money, give me your note on short time, and that will enable me to be better prepared to accommodate you in the future.

I most positively insist upon an immediate settlement, either by note or cash, of all outstanding accounts, and those indebted will find it to *their* interest as well as *mine* to respond to this notice at once.

Respectfully, JOHN N. DODD,
June 9—tf. UNDERTAKER
