RIPE TOBACCO LONG-FILLER CIGAR

For a Nickel! . . . Imagine!

Never since "nickel" first meant five cents has it meant mild, sweet tobacco fragrance such as it brings to you in *Havana Ribbon* cigars. No kidding. No loose talk. Because there isn't another nickel cigar in the world that's produced in large volume of such tobacco. No bitter-tasting *under*-ripe leaves; no insipid *over*-ripe leaves. Only *fully*-ripe middle leaves from choice tobacco plants, aged and cured to a mellow-mildness not excelled in any cigar for the price!

If you think this a pipe-dream, prod yourself. Dig up a nickel. Light up a *Havana Ribbon* and you'll realize that there sure has been some progress in cigar-making and cigar values.

Don't confuse *Havana Ribbon* with five-centers made from "clippings" or short ends of tobacco leaves that crumble and come out in your mouth. *Havana Ribbon* is a long-filler cigar. For five cents!

Also sold in *Practical Pocket Packages* of five cigars.
