The 4-Door Sedan . Body by Fisher

NEW VALUE Brings New Heights of Public Favor

As a result of the new value offered by today's Pontiac—as a consequence of its greater power, higher speed and smarter style—this low priced six is winning great new heights of public favor.

Pontiac Six now provides new motoring luxury. Staunch, beautiful bodies by Fisher—smaller, sturdier wheels with larger tires—an engine of 186-cubic inches displacement—the cross-flow radiator—the G-M-R cylinder head . . . all these and many other advancements are emphasized by the performance supremacy resulting from new carburetion and manifolding.

That's why today's Pontiac Six is attracting thousands of new buyers. That's why it is winning leadership in the low-priced six-cylinder field.

2-Door Sedan, $745; Coupe, $745; Sport Roadster, $745; Phaeton, $775; Cabriolet, $795; 4-Door Sedan, $825; Sport Landau Sedan, $875. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.
