# A NEW STORY FOR STALE BREAD

BY NUTRITION DEPT. PHILADELPHIA INTER-STATE DAIRY COUNCIL

The bread boxes of America contain the ingredients of many dishes of excellence. Stale bread holds the possibilities of attractive trimmings for every day dishes, if you are but aware of it.

Stale bread makes a cinnamon toast that is delicious. It goes nicely with fruit salads and adds to the light lunch of a cup of cocoa and some fruit.

**Cinnamon Toast**

Cut stale raisin bread or plain bread in one fourth inch slices. Toast. Spread generously with butter. Mix one part cinnamon with three parts sugar. Sprinkle this mixture on the hot buttered toast. Then cut each slice into three strips. These may be cut in half if real small pieces are desired for occasions like an afternoon tea.

Why not disguise the usual bread pudding? We know it can be made popular. Occasionally try the chocolate one. Everyone will like it.

**.....Chocolate Bread Pudding .....**

2 c. stale (but not dry) bread, 1 quart milk, ¼ tsp. salt, 2 eggs, ½ c. sugar, 1 tsp. vanilla, 2 squares chocolate.

Soak the bread in the milk until enough to be mashed fine. Melt chocolate over hot water and add to the soaked bread and milk. Then heat until nearly boiling. Beat the eggs until light then add sugar and salt and vanilla. When well mixed stir this into the bread and milk. Pour into a baking dish. Set in a pan of water and bake three fourths of an hour in a slow oven.

Cheese fondue makes one of the nicest meat substitutes one would desire. Sometime when the food budget is a little low it comes to the rescue as a main dinner dish.

**Cheese Fondue**

1 c. scalded milk, 1 c. soft breadcrumbs, ¼ lb. mild cheese cut in small pieces, 1 tsp. butter, ½ tsp. salt, 3 egg yolks, 3 egg whites.

Mix first five ingredients, add yolks of eggs well beaten. Fold in whites of eggs beaten until stiff. Pour into a buttered baking dish and bake in a moderate oven until baked through. Serve at once.

Many desserts owe part of their success to bread crumbs. So do not fail to save them. They will help many times. A paper bag may be set aside in one corner of the bread box for this particular purpose.
