big car luxury at small car cost

before you buy a new car

See these Guaranteed late model Oaklands

624

New car buyers—own a beautiful, luxurious 1928 Oakland instead of the small new car you planned to buy. The cost is no higher and they present an array of brilliant features to be found only in cars selling for hundreds of dollars more.

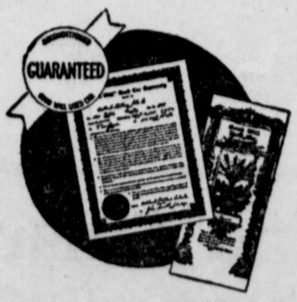
Their smart Fisher bodies, finished in permanent Duco, with rich upholstery and perfectly appointed interiors, assure you fine car appearance, luxury and style. Their roomy bodies and long wheelbase assure you big car comfort and riding ease. Their Oakland - built power-plants and chassis and man-sized four-wheel brakes assure you vibrationless performance, driving ease and safety unmatched in this price class.

Prove for yourself their superiority to smaller new cars of equal cost. See them today.

In addition, our varied stock of "Good Will" guaranteed cars contains equally big values in late model Pontiacs and other popular makes. Choose yours today!

Late 1928 Oaklands as Low as— $750

Late 1927 Oaklands as Low as— $500



For your Protection

A written guaranty with every "Good Will" car enables you to buy these superb cars with the same protection and confidence in their dependability you feel when you buy a new car. Among other important features, this guaranty entitles you to thoroughly test the car you purchase and exchange it within 48 hours if it does not give entire satisfaction!

It's your opinion that interests us because we make Camels for you to smoke and enjoy

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

The world's largest group of tobacco experts . . . one brand . . . one quality . . . one size package . . . everything concentrated on Camel goodness.

The smoothness and mildness of Camels are possible only through the use of choicest tobaccos.

The most skilful blending gives Camels an individuality of taste that is beyond imitation.

They have a mellowness that you have never known in any other cigarette, regardless of price.

Camels never tire your taste or leave an unpleasant after-taste.
