R.H.COLLINS, T.D.BOWERS
EDITORS.

SENATOR Wm. W. Beck, of Kent, was one of the guests at a "sympathy" dinner given on Sunday to a number of his friends by Mr. Wm. H. Bryan, defeated candidate for Collector of Internal Revenue.

FORMER Senator E. E. Goslin, of Caroline county, one of the most prominent Democrats in the State, died at his home in Federalsburg, last Saturday. At the time of his death, Senator Goslin was secretary to the State Road Commission. He was an ardent follower of United States Senator Blair Lee, and a warm supporter of President Wilson during his campaign for the presidency. He left an estate of $50,000 to be distributed among his cousins.

JUDGING from the fact that Senator Blair Lee is aggressively behind the candidacy of Clarence K. Bowie for United States District Attorney. Mr. Samuel K. Dennis uttered a solemn truth when he made the statement that if he is appointed District Attorney it will not be because of any deal on the part of Senators Lee and Smith. Senator Smith has his coat off for Dennis, but in our judgment Lee will beat Smith to the wire.

MARYLAND Agricultural College asked for a large appropriation with which to develop the institution along lines that will make it the equal of any similar institution in the country. In this demand they have the sympathy of a great majority of the farmers of the State as well as various farmers' organizations and the State Grange. The college received $20,000 a year for two years, a mere pittance compared with what they asked for. And yet a new State Tax Commission can be created for collecting and unifying State taxes at an annual cost to the tax-payers of $50,000. Which would be most beneficial to the people, a finely equipped agricultural college or a high salaried State Tax Commission.

IF THE BILL now before the Legislature becomes a law, as now seems likely, providing for a tax commission whose business it will be to make uniform the State tax system, it will cost the State nearly $50,000 a year to collect the State taxes, and in our judgment it will be an impossibility to make uniform the State taxes. The bill as amended provides for $19,000 in fat salaries and an annual appropriation of $30,000 for expenses, etc., whereas for the last forty years the State taxes have been apportioned and collected at an expense not exceeding $3,000 a year, and the State has gotten its fair proportion of the tax-payers' money. We wonder how much longer the people will submit to such treatment from politicians whose only excuse for gulling the tax-payers seems to be self-aggrandisement?

SENATOR John Walter Smith received a severe setback in the United States Senate on Saturday, when the McCumber bill providing for federal inspection of grain at the Port of Baltimore and other seaport cities was made the order of business for succeeding sessions of the Senate by a vote of 32 to 26. The vote was in the nature of a test vote, and there is every likelihood that the bill will pass the Senate by a comfortable majority. Senator Smith has fought this bill against the interests of the farmers and shippers of this State in season and out of season. He has lined up with the Chamber of Commerce in Baltimore on every occasion, and never once has he shown the slightest disposition to come to the aid of the farmers, who have been losing thousands of dollars annually by the present method of grain inspection in Baltimore. Senator Smith's record on this bill is as bad as his record on lumber.

THE impression prevailed in some quarters prior to the appointment of Mr. Miles as Internal Revenue Collector that Senator Smith would not oppose Mr. Miles' confirmation because there was a tacit agreement between Senator Smith and Senator Lee that they would divide the federal patronage in Maryland. Senator Smith has his coat off fighting for the appointment of his close friend, Samuel K. Dennis, of Baltimore, for United States District Attorney; but he had scarcely got his coat off when it became known that Senator Lee had a candidate for the District Attorneyship in the person of Mr. Clarence K. Bowie, of Baltimore, for whose appointment Senator Lee will fight as aggressively as Senator Smith fights for Mr. Dennis. It is beginning to dawn upon the people now just why Senator Smith's friends endorsed Senator Lee for United States Senator last year. Senator Smith saw the coming of the appeal of the inevitable. He correctly guaged Senator Lee's popularity with the people, and he sought to play politics with this popularity, hoping that Senator Lee would "lay low" and allow himself to be used to further Senator Smith's political chances for re-election to the Senate. Senator Lee "laid low" all right, but he "sawed wood" at the same time, and when the time came, Lee gets where he belongs, with President Wilson, and the great mass of the people of the State, and he locks horns with Smith for control of federal patronage. The inevitable has happened. It looks like Senator Lee has accepted the great opportunity as well as the great responsibility placed upon him by the people of the State and national administration to be the instrument through which a new Democracy will be born in the State, whose ensign will be "True Progress and Forward Looking Officials for Public Office."

THE appointment of former Congressman Joshua W. Miles, of Somerset county, as collector of Internal Revenue and of Mitchell Digges, of Southern Maryland, as Naval Officer, are distinct victories for Senator Blair Lee. These appointments are a distinct evidence that President Wilson regards Senator Lee as the representative of that element of the State Democracy which best represents the progressive policies for which the National Administration stands, and which, from the time President Wilson's name was mentioned as a candidate for the presidency, have been in sympathy with the President and those principles of Government which he represents. Senator Lee occupies a unique position in State politics to-day. The overwhelming majority which he received on the occasion of his election to the United States Senate last November was the result of a belief on the part of the people of the State that he stands for progressive policies, and that his type of Democracy is the very antithesis of those reactionary policies for which Senator Smith has stood for years. This fact coupled with the further fact that the National Administration regards Senator Lee as the consulting power in the distribution of federal patronage makes it so clear that the people of Maryland as well, as the President of the United States, regard him as the leader of the new Democracy that in our judgment Senator Lee will make a great political blunder if he fails to grasp the opportunity to lead the forces of the people against the reactionary element of Maryland, whose recognized leader for years has been Senator John Walter Smith.

BALTIMORE PAPER CALLS BLUFF

During the spirited debate in the Senate last week on the proposed road loan bill, Senator Beck of Kent, made a strong speech, denouncing in the most scathing manner, the sponsors of the Wilkinson bill, which he characterized as a "grab" game pure and simple. He intimated that the Baltimore city leaders and friends of the Wilkinson bill were guilty of bribery in offering members of the House an extra large slice of the road loan if they would vote for the Wilkinson bill. Mr. Beck stated that he had been "approached" with a bait, but before he would be a party to such a scheme as that he would resign his seat in the Senate and come home. Well, not to be outdone, Mr. Wilkinson, the author of the bill bearing his name, became very indignant at the insinuations made by the dignified Senators and in a most scathing speech on the floor of the House he denounced those Senators who were favoring the Price bill, among whom is Senator Beck, for their insinuations, and he exposed the "grab" in the Price bill. This is the way one of the Baltimore papers exposed the "hypocisy" of the advocates of the Price bill in its issue on Monday:

"It is true the 'grants' to the favored counties were taken out of the Price bill, but not until after the grab scheme was exposed in the American and vigorously denounced by Chairman Weller, of the State Roads Commission.

"It is common knowledge that the deal was entered into by the representatives of the counties which were to be the beneficiaries, and all the hot air expended by Senator Benson against 'bribery' in the House might properly have been applied to the Price bill, to which he had pledged his support in consideration of the inducements offered Baltimore county. It was only after the Senate grab game had been exposed and, as Senator Maloy stated, abandoned because they could not get away with it that the Senatorial combination became virtuous and highly indignant, and denounced the members on the other side, incidentally making Baltimore city the target."

Now, how is that? Seriously speaking we are Eastern Shoremen. We believe in the Eastern Shore getting every advantage that belongs to it, but we are not so selfish as to deny to Baltimore city and the Western Shore counties anything that is justly due them. For this reason we believe that delegate Wilkinson was simply doing his duty by his city which pays a large part of the State tax and has a legal right to demand a liberal share of any appropriation looking to public improvements. The Wilkinson bill embodied such an appropriation, nothing more, nothing less; but the followers of Senator Smith seemed to want to deprive Baltimore city and the Western Shore counties of what is justly due them, by advocating the passage of the Price bill.

MARYLAND LEGISLATURE.

The Maryland Legislature will adjourn on Tuesday, April 7.

All the appointments for Kent county were confirmed except that of Thomas Joiner at Rock Hall for justice of the peace. It was rejected.

The bill providing for the election of the members of the Chestertown Water Board has been signed by the Governor. This bill was amended so as to include the referendum before final passage.

The school house bills, which include a referendum clause, are ready for the Governor's signature, as is also the Chestertown bond issue bill providing for bonding the town for $25,000 for roads and sewers.

The Beck purse net bill, which extended the lines for purse net fishing up the bay as far as the mouth of Worton Creek, passed to its third reading in the Senate, after being amended so as to provide for nothing less than 3-in. mesh nets, and prohibiting purse and buck netting except between June 15th and November 1st. No one but a resident of Maryland can secure a license to fish with purse and buck nets, and every owner of a purse net is required to pay a license of $25 for the four months' privilege.

The Home rule bill passed the Senate without argument, and its chance of passing the house is fine.

The price Road Bill has passed the House and is on the way in the Senate.

The Eastern Shore anti-shipping bill has passed the Senate.

Delegate Howard Turner has introduced a bill authorizing the Kent county commissioners to pay H. W. Vickers, State's Attorney, expenses in recent criminal cases.

An open gymnastic class meeting was held at Washington College Friday night. Coach Kidler put the boys through some fine stunts on the bars and with the gymnastic equipment. A basket ball game was played to finish up the evening's entertainment, which was very amusing.

IN THE CHURCHES.

Chestertown M. E. Church—Rev. L. E. Barrett, D. D., Pastor.—The closing service of the Conference year will be held next Sunday, March 29th. The Pastor will preach a brief sermon, at 10.30 A. M., followed by Sacramental service. All the members of the Church and Congregation and the public generally are requested to be present. 2.15 P. M., Sabbath School and Pastor's Bible Class; 7.00 P. M., Epworth League Song Service; 7.30 P. M., preaching by the pastor. All invited.

The weather and roads being so bad last Sunday, there was no service in the Presbyterian Churches of Georgetown and Worton, and a very small attendance at Kennedyville. Owing to this the offering for home missions and sustentation will be taken on next Sunday, March 29. The theme for the sermon will be: "Forsaken." The following Sabbath is Palm Sunday, and being the first Sunday in the second quarter, the sacrament of the Lord's Supper will be administered. Any desirous of uniting with the church at that time will kindly make it known. There will be special music by the choir of Kennedyville church on this Sabbath, and particularly on the following, which is Easter Sunday. All of those of the Kennedyville and Worton Churches who have not already done so, are respectfully urged to send in their pledge cards for the coming year.

The Odd Fellows Lodge at Galena has voted a donation toward the building of the Presbyterian Manse at Kennedyville. This is a very agreeable surprise indeed. We are very grateful. This is Friendship, Love and Truth in action. It is very evident that the Odd Fellows have an eye to progress, and are disposed to help along in progressive things even beyond the limits of their own town. This is a splendid and noble spirit, and is well worthy of emulation. Are there any Presbyterians in Chestertown who would like to help this cause? Watch for the entertainment at Lynch.

Rev. Charles E. Perkins, rector of St. Thomas' Church, Homestead, Baltimore, will preach in Emmanuel Church next Wednesday, April 1st at 8 o'clock, and on Friday, April 3rd, the Rt. Rev. Thomas J. Garland, Suffragan Bishop of Pennsylvania, will preach at the same hour.

Services at Wesley Chapel to-morrow (Sunday): 9.30, Sunday school; 10.30 Communion service; 7.30, preaching by the pastor.

The usual service will be held in Kennedyville Methodist Protestant Church on Sunday next, March 29th: Sunday school 9.30 A. M., preaching 10.30 A. M. and 7.45 P. M., by the pastor, Rev. Frank S. Cain; Christian Endeavor 7.15 P. M. Report of year's work will be read at morning service.

Christ Methodist Protestant Church, Dr. W. R. Graham, pastor. Services on Sunday, March 29, and preaching by the pastor at 10.30 A. M. and 7.30 P. M. Morning subject, "The Four Proximate Causes of the Crucifixion of Christ". Evening subject: "The Lonely Watcher;" Sabbath school 2 P. M.; Christian Endeavor service 6.45 P. M. Mid-week service Thursday evening at 7.30 o'clock.

Literary Society.

The Literary Society of the Chestertown High School held an interesting meeting last Friday afternoon in Assembly Hall.

An interesting debate on the subject, "Resolved, that the United States should intervene to establish peace in Mexico," was decided in the negative, which was supported by Misses Genevieve Cain and Ethel Robinson. The affirmative side was supported by Miss Carrie Bolton and Mr. Alan Rousé. The judges were Mr. Creasy, Miss Mary Rouse and Miss Ellen Beck; Critic, Miss Copper.

The following program was rendered: Solo, Miss Loureine Smith; election of officers—Mr. Allie Blyman, president; Mr. Elmer Tarbutton, vice-president; corresponding secretary, Miss Cynthia Clendaniel; recording secretary, Rolph Townshend; reading of minutes; new business; declamation, Miss Miriam Jones and Mr. Harry Derringer; reading of Echo, Miss Frances Howard and Mr. Albion Bailey; a story, Mr. Cecil Robinson; debate; music, Mr. Zay Davis and Mr. Fred Davis; report of judges; report of critic.

Brick and Frame Dwelling

HOUSE, in good repair, together with all the outbuildings found on a modern farm. Every foot of this land is tillable and has been recently limed. This is one of the most attractive and productive farms in the State of Maryland. It is situated about half way between Black and Lambson Stations, on the Chestertown Branch of the Delaware Railroad.

TRACT NO. 2

All that tract of land adjoining the farm described as Tract No. 1, tenanted by George C. Johnston, and containing

180 Acres

ONE ROOD AND TWENTY-FOUR PERCHES OF LAND, more or less; it being the same tract of land which is first described in the deed mentioned in Tract No. 1. It is improved by a

Frame Dwelling House

together with the usual outbuildings.

This farm has also recently been lined and every foot of it also is tillable. It is the same high-grade farming land as the above tract and is surpassed by none in productiveness.

Frame Dwelling House

in good repair, together with the usual frame outbuildings.

This farm, like the others, is in a high state of cultivation, and is very productive.

TRACT NO. 4

All that tract of land situate on the public road at the corner of A. C. Nowland's land; containing

56 Acres

THREE ROODS AND SIXTEEN SQUARE PERCHES OF LAND, more or less; there are no improvements on this tract, but it is tilled as a part of Tract No. 3 by Mr. Jarvis, and is separated by land of others from the main tract.

The above two tracts, Nos. 3 and 4, will be first offered separately and the bids thereon reserved, and then as an entirety; and the sale will be made in whichever manner produces the most money.

No one can make a mistake in purchasing any of these farms either for investments or homes. They have been owned in one family for seventy years or more, and have always been kept in a high state of cultivation. They are convenient to schools, churches, etc., and to shipping points on the railroad.

UNDER and by virtue of the same decree as above, the undersigned trustees, will offer at public sale at the Court House Door, in Elkton, Md.,

AT 11 O'CLOCK A. M.,

All That Tract of Land

situate in the First Election District of Cecil county, known as the "BEACH"; and containing

479 Acres

OF LAND, more or less; it being the same tract of land which was conveyed unto Elizabeth G. Constable by Maria G. Knight and others, by their deed dated the 14th day of December, 1903, and recorded in Liber J. G. W., No. 14, folio 476, etc., one of the Land Record Books of Cecil county. The improvements consist of a

Frame Dwelling House

One Frame Tenant House and the usual outbuildings, all in good condition. This farm is located at the junction of the Chesapeake Bay and Elk River and has about a mile of water front, on which there are valuable deposits of sand, from which was sold, without any impairment, 32,500 worth, used for building McCall's Ferry Dam. There is also a valuable fishery on the property. The land is easy to till and is in a high state of cultivation.

The landlord's share of the growing wheat crop will go to the purchaser of each of the above tracts upon the purchaser paying for the landlord's half of the fertilizer used thereon.

This is an excellent opportunity for intending purchasers of real estate to acquire some valuable land, for this is to be a positive sale, made necessary for closing the estate of Elizabeth G. Constable, deceased.

TERMS OF SALE, as provided by the decree, are: One-third of the purchase price on the day of sale, the balance upon ratification of sale, the credit portion to bear interest from the day of sale, and to be secured to the satisfaction of the Trustees.
